DOUBLE SESSIONS are over! With the moving of these third and fourth graders from General Pershing to Crocker school, the six-year split session bugaboo in the Jefferson Elementary School district comes to a close for the time being. Students of Mrs. Janet Edgerley and Mrs. C. Lekas are shown here Friday carrying school supplies into Crocker building. Moving of these classes allowed 68 remaining third grade students at General Pershing to attend regular sessions for first time. As of Monday, all children in the district are now attending a full day of school.

TRIAL BUS RUN TOLD FOR No. 76

Tentative new trial route for the No. 76 bus which will go into effect within a week was announced today by Jack Kendree, representative of Henry Doelger, Builder, who is underwriting municipal railway losses here for at least the next two months.

Kendree said the new route, one of two proposed for ten-day test runs, would be as follows: Start at Eucalypus avenue, San Francisco, travel south on Junipero Serra to Alemany boulevard, west on Alemany through Westlake and south to Broadmoor, returning by same route.

He said the round trip would take from 30 to 40 minutes and would make it possible for Westlake residents to reach downtown San Francisco in 45 to 48 minutes.

City council withheld decision on the subsidy issue Monday night, pending further report from the transportation committee.

During Monday's meeting a letter from the Daly City Chamber of Commerce was read, urging subsidy of San Francisco bus operations by the city to give all parts of the community adequate transportation and requesting that a transit expert be hired to study Daly City's problems.

Up to now the council has split in three factions on the transportation issue, with Councilmen Micheal De Bernardi and Del Wilson favoring the bringing in of private carriers, Mayor Joseph Verducci urging retention of muni service by subsidy and Ed Dennis and Sanford Vickers withholding decision until further study.

The Doelger representative indicated that the route was still "indefinite" and said he had no idea how far the service would extend into Broadmoor.

As soon as this and another trial route have been tested the

Question High Turnover of Teachers At Jefferson Elementary District

NEW CITY MANAGER Howard Stites (center) meets with Daly City official family Saturday at Lake Merced Country club. Mayor Joseph Verducci gives Stites introductory handshake while beaming approval are (left to right) Councilmen Sanford Vickers, Del Wilson and Ed Dennis. The council briefed Stites on city business during luncheon session. Guest of the city at proceedings was Jack Kendree of Henry Doelger Builder, Inc. Stites will take over duties here April 11.

THE RECORD photo

High rate of turnover among teachers in the Jefferson Elementary School district was questioned Wednesday in a board of trustees meeting held at Olympia school in Westlake.

James Hough and Eugene Grant, in presenting a digest of salary schedules throughout San Mateo county, pointed out that nearly 100 teachers leave the local district every year.

Hough and Grant appeared on behalf of the Jefferson Teachers' association, who are expected to submit request for upward revision in salary classifications within a month.

Superintendent H. Z. Weibel confirmed Grant's statement on the seemingly high turnover, commenting that this had been brought to his attention by his coordinators and other staff members.

"Not Necessarily Bad"

The superintendent maintained however, that turnover in itself wasnt necessarily bad. "I look for qualities in a teacher that appeal to children. Many times these qualities are found in young married women who leave their jobs after one or two years."

He added that, "We're not looking for teachers who'll necessarily stay in the district permanently." Weibel's contention was that the teachers were valuable to the district during their tenure there, even if only brief.

Chairman of the board Helen Cheatham said, "I think turnover is good. If we can get two good years out of a teacher, that's fine."

"Why Concerned?"

Asked by Trustee Katherine Mullen why Weibel's coordinators were concerned with the turnover, Weibel answered that, "These young teachers fresh out of college put quite a training burden on the coordinators."

"Is salary the reason these people are leaving?" asked Mrs. Cheatham.

Grant qualified it by stating that this was probably one of many factors.

Trustee Henry Kraus said, "We're getting away from the real issue, which is salary. I think we should make our own approach to the problem, rather than make a decision on the teachers survey."

In other action the board:

Employees Wage Hike Submitted

Daly City Employees association presented what was described as a "substantial" salary increase request to the civil service board of review Friday night.

The board held up any recommendation, pending completion of a state salary survey now underway here.

The survey is an attempt by the North County Council of Cities to adjust salaries throughout this area.

Next regular meeting of the civil service group is scheduled for April 15, but Chairman John Degliantoni said he might call a special gathering on the salary issue.

City employees requested a blanket wage increase last year, but were granted only spot raises in five job categories.

DC Gives Go-Ahead On $70,000 Water Project In Westlake

Agreement for installation of a $70,000 water system in the newly annexed 440-acre Westlake Highlands area was approved by the city council Monday night.

Carl Timmons, Henry Doelger engineer, presented the proposal, which calls for installation of a main transmission line and booster pump in the new tract.

Water for the 440-acre subdivision will be supplied from Westlake Reservoir No. 3, now in the planning stage.

Doelger company will advertise for bids on the transmission line project. Awarding of contract will have to be approved by the council, since the city will pay for the job. The estimated $70,000 will be paid back to Doelger over a ten year period at 2¼ per cent interest.

Mayor Joseph Verducci asked Timmons that a written agreement be drawn up on the repayment plan.

Unconventional Diggings At Grave Yards Probed

Robert Hemersley, 20, who is charged with the mysterious grave diggings at Colma's Cypress Lawn cemetery, will enter a plea next Tuesday at 9:30 a.m. in municipal court.

Hemersley was arrested Tuesday at the request of Colma Police Chief Joseph Ryan in connection with the unusual happenings at Cypress Lawn cemetery. Hemersley is charged with maliciously destroying property not his own, vagrancy, and disturbing the peace. He was arraigned in San Mateo municipal court and bail set at $1,000 this week.

Last weekend, officers found a crudely-dug grave at Cypress, containing a coffin size pine box complete with a quilt and blankets. Hemersley claims he was in Los Angeles when the diggings were supposed to have happened.

He was arrested by San Francisco police last October after allegedly using a coffin as a sleeping place in a Bryant street basement.

DC Man Picked Up On 34 Traffic Warrants

A 28-year-old Daly City steelworker, sought by San Francisco police for nearly a year on 34 separate traffic warrants, was picked up at his home here Wednesday night by two Daly City officers.

Donald Ramus Evans, 207 Hillcrest, was turned over to San Francisco authorities Wednesday night by Officer Charles Van Otten and Sgt. August Benassini.

San Francisco set bail at $260 for Evans, who picked up most of his tickets for speeding and overparking.

Mayor Hits Vickers For "Claghorne" Tactics At Meeting

An outburst from Councilman Sanford Vickers Monday night on uncompleted city projects brought a retort from Mayor Joseph Verducci that, "You sound like Senator Claghorne."

The minor altercation came during discussion of Westlake park.

Vickers urged that the city reopen negotiations with Henry Doelger to secure more concessions for completion of the expensive Westlake park project.

Vickers said loudly, "That park is five years old and look at it! There's still no facilities there for the people."

It was at this point that Verducci compared his fellow councilman with the mythical senator of radio fame.

PRELIMINARY SET FOR MAN ACCUSED IN SADDLE THEFT

Jack Campbell, 25, 401 Wellington avenue, and a 17-year-old San Francisco youth were picked up in Salinas Monday and charged with theft of $400 worth of saddles and bridles from the Palomar stables on Skyline boulevard last week.

Campbell will appear for preliminary hearings on the grand theft charge next Tuesday in municipal court. The youth was turned over to juvenile court.

The pair were picked up after Col. R. H. Bridgman, owner of the stables, reported that four saddles and bridles were taken from the tack room Thursday night.

Campbell worked as a groom at the stables.

He and the juvenile were picked up in Salinas in a stolen car.

See 4000 At Easter Egg Hunt April 7

Eighth annual holding of Daly City recreation department's Easter egg hunt has been scheduled for Thursday, April 7, and a whopping juvenile attendance of 4000 is predicted by James Mason, director.

The egg hunts started eight years ago with an attendance of less than 500 and have proved increasingly popular each year with the small set. Last year attendance was in excess of 3000.

The hunts will be staged at seven locations.

Following is the schedule: One to three year olds, with parents, 11 a.m., Marchbanks upper level. Westlake school, Frankfort playground and Westlake, behind plaza; four to six year olds, 11 a.m., Marchbanks lower level, Westlake, behind plaza, Frankfort Hill (Frankfort & Oliver), Westlake school; seven to twelve year olds, 1 p.m., Gambetta street hill, Westlake, behind plaza, Marchbanks lower level, Frankfort hill.

In event of rain the hunt will be postponed until Saturday, April 9, at same times and locations.

FIVE SCARLET FEVER CASES HERE IN FEB.

Incidence of Scarlet fever jumped almost 100 per cent throughout the county during February and five cases were reported for Daly City during the month, leading all other communicable diseases here.

Morbidity report from the health and welfare department showed 40 San Mateo county scarlet fever cases during February of this year, compared to 21 for the same month in 1954.

Incidence of scarlet fever in Daly City for the month ranked third in the county, with San Mateo and Redwood City first and second, respectively, with 15 and 6 cases.

Other communicable diseases reported in Daly City last month included: Measles, four; mumps, one; gonorrhea, two; syphilis, one; and salmonellosis, one.

Colma had two cases of measles.

DEGLIANTONI IS NAMED TO 1955 GRAND JURY POST

William ("Bill") Degliantoni, 55-year-old Daly City roofing contractor, was sworn in as a member of the San Mateo county grand jury Friday before Superior Court Judge Edmund Scott.

Degliantoni, who lives at 32 Shakespeare street, will serve for one year, along with the 18 other jurors chosen from throughout the county.

A resident of Daly City since 1936, Degliantoni is a member of the local Lions club, Chamber of Commerce and the Bay Area Roofing Contractor's association. First meeting of the grand jury is scheduled for March 28, and the body will meet thereafter on second and fourth Mondays of each month.

HONOR DAN ANDERSEN AT TESTIMONIAL FETE

Testimonial dinner honoring City Administrator Dan Andersen, who leaves his position April 8, has been set for April 7 at Lake Merced Country club.

Mayor Joseph Verducci commented Monday night that, "Although the council is not sponsoring this affair I think we ought to get behind it 100 per cent."

Andersen was recently honored by the council in a resolution of commendation, lauding him "for superior service on behalf of Daly City."

Pastor ROY MILAM of the Westlake Baptist church almost didn't make it to the Sunday groundbreaking ceremonies for the $75,000 chapel unit of his church.

He got a call last week from a hospital that needed blood for a young colored boy.

Up to that time they couldn't secure any donors, so Pastor Milam gladly gave up a pint of the precious stuff.

Although he was ill following the donation, he rallied in time for the sod-busting rites.

He narrowly missed being incarcerated for the debut of spring Monday, however, as he got picked up again for the usual drunk charge over the weekend.

Local police estimate that O'Connor uses up a good eight-hour man day of police depart-

ASK HIGH SCHOOL FOR 5 CENT REC TAX

Jefferson High School district trustees Monday night received a proposal from Daly City to levy a five-cent per $100 valuation school tax for city recreation.

A similar plan is under consideration by the Jefferson Elementary district.

Recreation Director James Mason told the councilmen and trustees assembled that such a tax on the high school district would raise $24,498.68 a year for recreation uses.

Of this total, the following amounts would go to the different sections within the district: Bayshore, $2787.31; Brisbane, $2444.24; Jefferson (Daly City-Broadmoor-Colma), $16,237.88; Laguna Salada, $3029.25.

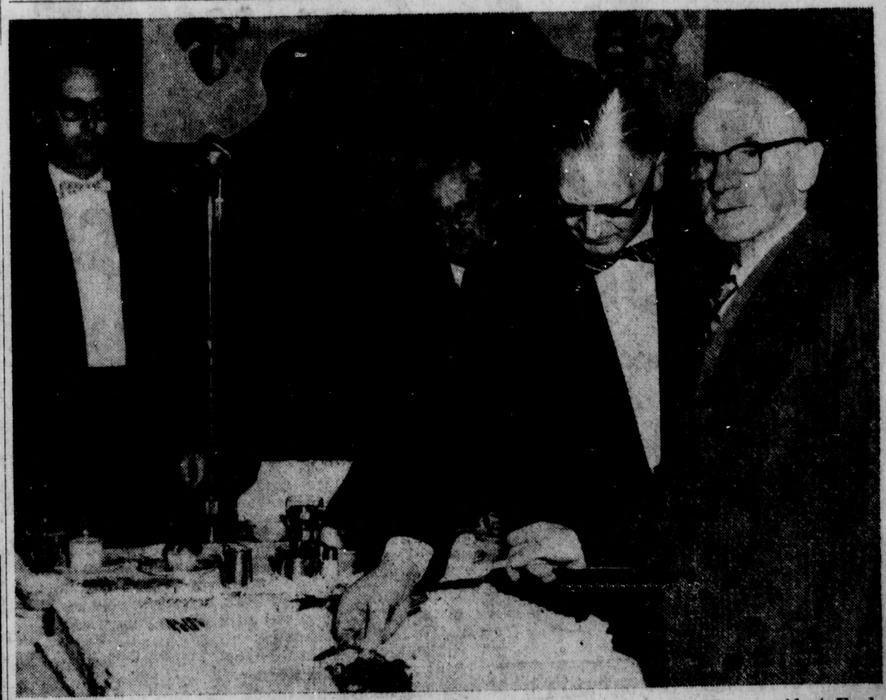
Mason said the funds would allow expansion of the teen-age program and inauguration of a girls' recreation program.

Asked if such programs would be limited to Daly City, Mason said it was his hope to expand the city recreation to include Broadmoor, Sterling Park, Colma and other outlying areas.

Trustee Ray Whitney of Sharp Park said a joint city-school recreation agreement was already in operation in the Laguna Salada Elementary district. He termed it unsatisfactory and said there was some talk of discontinuing the program.

Mayor Joseph Verducci said joint use of recreation facilities was necessary to "avoid duplication of the tax dollar." He gave as an example the 63-acre site for the Westmoor school, pointing out that the city could help develop the land for recreation with the funds from the five-cent tax. Both the city and high school recreation program could utilize the facilities.

High school trustees said they would discuss the city's proposal at a future meeting.



HIGH TRIBUTE is paid to Sgt. William ("Bill") Bolger (right), veteran Daly City policeman, at Chamber of Commerce luncheon in his honor last Thursday at Lake Merced Country club. Occasion was cause for triple celebration, as it was also Bolger's 65th birthday and St. Patrick's day. Bolger, who will retire next week after 22 years, is shown here cutting first piece of cake while Jim Masterson renders an assist. Looking on are (left) Chamber president Fred Martin and Arthur Bodien, longtime friend of Bolger and former water department superintendent.

Reason Mae knows is she called to consult him about her injury.

Mayor JOSEPH VERDUCCI will have to start numbering his speeches like he does his football plays one of these days.

In a two-day period this week, Verdooch spoke before an audience of 300 Catholic men, followed it up that afternoon with an address before af Baptist ground-breaking ceremony (mentioned earlier), and wound up the next day speaking to 250 members of the California Hotel Managers' association.

Incidentally, among members of that last audience was HUGH SMITH JR., whose a high mug-a-mug in the state motel owners' group.

The crook didn't even have consideration to leave Graham a cigarette to smoke and reflect his losses.

Kendree revealed that Doelger will continue subsidy of San Francisco losses through July 1 "if necessary." Originally the builder agreed to underwrite the operation for only two months.

Passenger survey completed recently showed that riders were divided about evenly on requests for down-town San Francisco, and intra-city transportation. "We're not forgetting about the people in the other section of Daly City," Kendree said. "All facets of the problem are being considered."

Still No Candidates In Jeff High Trustee Race

With three weeks remaining before deadline, no candidates have filed in the Jefferson High School district trustee race.

Two three-year terms on the five-man board are open. Incumbent Elio Fontana announced today that he would seek re-election, while Mrs. Anne Eason, a member of the board for eight years, said she was "undecided."

Deadline for filing is April 20. Election is May 20.

LOCAL TEEN CLUB "CARNIVAL" OPENS TODAY AT CENTER

Daly City's Misbe-Haven Teen club will stage their first carnival today (Friday) and Saturday. The event will be centered around the them, "Carnival of the Seasons." Games of skill, bingo, refreshments, prizes, and many other activities will be offered.

The highlight of the carnival will be the stuffed animal booth. At this booth prizes suitable for the Easter season may be won.

The two day event will take place at the community center. Today the doors will open at 7 p.m. and on Saturday at 12 noon. The carnival will conclude at 12 midnight both days.

Mrs. Anne Eason and Walter Gillies of the recreation commission, as well as the merchants of Westlake, Broadmoor, and Daly City, have given valuable aid, the club said.

The public is invited to attend. Admission is free.

Second Installment Taxes Due April 10

Ralph C. MacArthur, county tax collector, said today that the state controller's office had called to his attention the change in delinquency date of the second installment of real property taxes. Formerly delinquent on April 20, the date was changed to April 10 by the 1953 session of the Legislature.

The law provides that this installment must be paid prior to 5 p.m. on April 10, and failure to do so subjects the taxpayer to a six per cent penalty. Since April 10 falls on Sunday, the closing date will be April 11 this year. The Controller's Office pointed out that there is no provision for an extension of time or for a waiver of penalty. The law provides that payments by mail must be postmarked prior to 5 p.m. on the delinquency date in order to avoid the penalty.

Ralph C. MacArthur warned that payments should be placed in the mail sufficiently early to provide the post office time to process the mail prior to the 5 p.m. deadline. He also pointed out that the Controller's Office had advised him that he could not accept payment of the taxes without the penalty after the deadline prescribed by law.

SSF Man Arrested On B'moor Drunk Driving "Not Guilty"

A jury turned in a "not guilty" verdict Tuesday for a South San Francisco man who had been arrested December 14 by Broadmoor police on a drunk driving charge.

Bernard D. McCabe, 106 Chestnut avenue, had been picked up by Sgt. Don Tannehill and Officer Merrill Baxley on El Camino Real. The officers said they took him to Junipero Serra hospital, where he was adjudged intoxicated after a test. Tannehill was not present Tuesday for the trial.

Defense Attorney Frank Blum, also city attorney, held that Baxley was undergoing police training at time of the arrest and because of his inexperience made a mistake in declaring the man drunk.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

Cable "doctors"—they roll out day or night

Fortunately, this scene isn't common. Telephone cables can usually be fixed in daylight. But once in a while, on the quiet streets here in town, you'll see cable "doctors" taking care of an emergency at night. For along with policemen, firemen, and the like, telephone people help keep the night watch while the rest of the community sleeps. Operators, testmen, and repairmen are on the job throughout the quiet hours. Indeed, one of the big values of your telephone service is that it never rests. Your telephone is ready to serve you whenever you need it, 'round the clock. Pacific Telephone works to make your telephone a bigger value every day.

THERE IS NO CIVILIAN DEFENSE

There is no civilian defense in Daly City.

This statement made the headlines last week, along with the revelation that Daly City would be a "death-trap" in event of air attack or mass disaster.

The fact that there is no civilian defense in this city is not really sensational. We have pointed out this failing editorially during the past three years, but efforts to start a CD program have been fruitless.

Daly City is not a singularly guilty municipality. The Do-Nothing policy is pretty much wide-spread, with some graphic exceptions.

But the statement made last week by civilian defense authorities to the effect that Daly City would be a "bottleneck of death" if ever San Francisco had to flee should help serve to re-ignite this community's alertness to the real problem.

Civilian defense should not be restricted to educating the public to the eventuality of a nuclear missile being dropped. The remoteness of this prospect only serves to foster the "what the hell, it can't happen here" attitude.

Civilian defense is education and organization of a community to prepare for any type disaster. A mass exodus from San Francisco would be just such a disaster. Thousands could be killed and the enemy wouldn't even have to drop a firecracker.

It has been and is Daly City's challenge to be ready for any type calamity. If disaster strikes, whether it be man or God made, Daly City's first problem is going to be channelization of some 1,000,000 people through its highways.

Daly City at present does not know how to handle this awesome army of metal and flesh. We doubt if this city is prepared to handle the traffic of even a major football game, much less an air raid.

Some communities are waking up to the reality of civilian defense needs.

An appropriate example is the suburb of Broadmoor.

Last Saturday $1100 was raised at a Broadmoor police dance. All of this money will go towards civilian defense.

This small effort is an infinitely greater exertion than Daly City has made in half-a-score years.

If for no other reason than civic pride, Daly City ought to rub the sand out of its eyes and get busy.

CONGRATULATIONS are extended to Peter Markovich (second from right) by Dr. Grant Marsh, chairman of the Lake Merced district, on Markovich's appointment last week as chairman of the Boy Scout fund drive here in May. Looking on are (left) Robert Hunter, local Scout executive, and Maurice Powers, district executive.

Boy Scouts Grow And Grow; Fund Campaign Set For March

With the appointment last week of Peter J. Markovich as chairman for the 1955 Boy Scout finance campaign in Daly City and Colma, interest was focused on accomplishments of the Boy Scout organization during the past year. Markovich was appointed by district chairman F. Grant Marsh and finance chairman Robert E. Hunter, local resident, with the finance campaign scheduled to be held during May.

The Daly City-Colma area now has five Cub packs and seven Boy Scout troops, compared to three packs and two troops of a year ago. Total of 286 boys 8, 9 and 10 years old are on the rosters of the Cub Scouts, while 121 boys eleven and older are in the seven troops, making a total of 407 boys in the twelve groups. Objective for end of this year is at least 600 boys in 16 units, according to Hunter and Al Beerbower, 50 Fairlawn avenue, who are heading up the organization and extension program for the area.

Substantial Group

In addition to Markovich, Hunter, and Beerbower, all Daly City residents, a substantial group of other local men are serving as members of the Lake Merced district committee, supervisory body for the Boy Scout program in neighboring San Francisco areas and Daly City and Colma. Among these men are George H. Paldi, 40 Forest Grove drive, who is one of the two vice-chairmen of the district; Albert M. Rosenberg, district chairman of the activities committee, who lives at 125 Windsor drive; Jay F. Irick, 55 Lake Vista avenue, who is vice-chairman of the district's advancement committee; W. L. Leavick, 59 Garden Grove drive, member of the activities committee; Martin A. Pahlka, 1040 Brunswick street, member of the camping committee; Blaine Glendenning, 440 Bellevue, and Milton O. Craig, 208 Los Olivos, both members of the leadership training committee; Robert E. Wardell, 888 Beechwood drive, and Joseph D. Baird, 866 Templeton, members of the organization and extension committee; R. N. Walters, 130 Crestwood drive, assistant commissioner; and William C. Shelver, 776 Niantic avenue, and Edward Plummer, 864 Beechwood drive, both neighborhood commissioners. Members of the district committee meet monthly at San Francisco's City College Faculty dining room, where plans are made and reports heard concerning progress of the program for boys in the area.

Sponsoring Groups

Daly City's 12 Scout units are operated under the direction of nine local organizations, known as "sponsoring institutions," who supervise leadership and facilities. Sponsoring organizations and their units are: Pack 62 Parents club, sponsors for Cub Pack 62, which meets at Bellevue hall, Eugene Johnson, cubmaster; Old Glory Post, Veterans of Foreign Wars, who sponsor Pack and Troop 63, both of which meet at 255 Vista Grande avenue. Otis Simonsen is Cubmaster, and William P. Bradshaw is Scoutmaster; Westlake school PTA, sponsors of Cub Pack 241, Boyd H. Garlick, Cubmaster; Our Lady of Perpetual Help church, sponsoring Pack and Troop 243, both of which meet in the school cafeteria, with Stanley G. White as Cubmaster and Harry Hettel as Scoutmaster; Westlake Improvement association, sponsors of Pack and Troop 248, which meet at the association's clubhouse, with Warren L. Johnston as Cubmaster, and Alfred O. Belotz, Scoutmaster; Troop 241 is sponsored by their Parents' club. They meet at the Westlake school, with William A. Larsen as Scoutmaster; Troop 244's sponsors are the Daly City-Colma Lions Club, with Douglas T. Baughn as scoutmaster; Troop 244 meets at the Colma school multi-use room; Vista Grande Avenue Christian church are sponsors of troop 245, meeting in Fireside hall of the church, and with James L. Hatchel as scoutmaster; Troop 249 is sponsored by the Daly City American Legion Post No. 410, meets at Bellevue hall, with Arthur R. Crocker Jr., as Scoutmaster.

Others Offer

Other organizations which have offered to sponsor Scout units in the future include Colma's Italian-American Citizens club, the Daly City Improvement association, Westlake's Community Baptist church, Daly City Rotary club and Our Lady of Mercy Catholic church. In addition, the Veteran Firemen's association, the Junior Chamber of Commerce, the Westlake Post of the American Legion, and Westlake Temple have all indicated interest and offered their assistance in one form or another. Eventual plans for the area propose the organization of sufficient Cub packs, Scout troops, and explorer posts to care for a minimum of 1000 boys. Support of May's finance campaign will make it possible for this program to move ahead faster, according to Hunter and the other district officials.

Among current activities, most of Daly City's Scout units are planning to take part in the annual Scoutorama, to be held April 29-30 at the Cow Palace, and they will be selling tickets to this annual Scout show. In addition, troops are planning to attend Camp Royaneh, in the Russian River country, during its seven weeks of operation this summer. A Boy Scout leaders basic training course is currently being conducted at 255 Vista Grande avenue, with its second session being held yesterday. The course is open to all interested men in the area. Troops will also participate in the June 4-5 camporee, to be conducted at one of the East Bay Regional Parks.

Letters To The Editor

Objects To Lack Of Transportation For Jeff Hi Students

Dear Sir:

I am in receipt of a letter from Mr. Stanford Hannah, Superintendent of Jefferson Union High School district, in answer to one from me regarding transportation, in which he encloses a copy of the policy of the board of trustees regarding transportation to school by school bus, and I quote from this policy, as follows:

"Transportation Rules and Regulations"

"1. The Jefferson Union High School district will transport students to and from school subject to the rules and regulations herein adopted:

2. No student will be transported who lives within two miles of the school. Exceptions to this may be made in case of the physical inability of the student to otherwise get to school. Exceptions also may be made when the location of a community is such as to present a traffic hazard for pedestrians and when such community has no public transportation available."

1½ Miles To School

From my home to the entrance of Jefferson Union High school is exactly one and one half miles, yet my daughter must depend on the San Francisco Municipal Bus lines, after walking four blocks, and then transfer onto the 56 bus, paying another fare, in order to get to school, and must leave our home not later than 7:25 a.m. in order to do that. She must also follow the same procedure on her way home. This, of course, means that I must buy for her, at least two, and sometimes three school bus tickets each week, and she must spend about an hour each day getting to and from school.

She was in the hospital for almost a full year, and is under doctor's orders not to exercise or walk, excessively, and I have asked on several occasions what can be done to correct this bus situation, and this is all I get. Yet my taxes go right on, and I must pay for $14,000 school buses to be used in transporting kids from Sharp Park, and Bayshore around the Cow Palace, and my daughter and the children of others who live around this district cannot get transportation. Just how is it that I and the other property owners in this section have to pay taxes to bring the children from those other districts to school, when our children cannot get the same treatment? Isn't this what is called taxation without representation?

How Much Cost

Now that the SF Muni is seriously trying to abandon completely the No. 56 bus, what will happen then? If some of these private firms take over just how much is it going to cost us for our children to get to school then?

I do not believe that the people of Bayshore or Sharp Park pay any more taxes than I do, nor is their tax money worth any more to Jefferson than mine, yet I cannot get what they do.

In talking to other property owners in this section they all agree with me, and some action will be taken if we cannot get the same treatment other sections of this district get. I see the Jefferson bus each morning going down Alemany, and have also seen it on Alemany between Ocean and Onandaga. There surely aren't any Jefferson students there, for that is away inside the San Francisco line.

This letter is written to your valuable paper to see if something cannot be stirred up so that the large body of taxpayers in this section who are unfortunate enough to live within the arbitrary two miles of Jefferson can't get what they are taxed for.

Yours very truly,
Ray Blackman

AIRPORT AIRINGS

Two controversies involved the San Francisco International airport at Mills Field last week. The first concerned whether or not 40 small billboards should be allowed in the new luxury terminal. The other question was centered around the manager Frederick Butler. Seems he stepped out of line when he told chamber of commerce members that a union square bus terminal was OK if the airlines buses were loaded and unloaded off the street.

My Mad World

By Leonore Brewer

Mr. Hal Honore's recent "Film-Fare" column opened with the most interesting and provocative paragraph he has written since the time he took several slashes at this writer. In this paragraph he took exception to an unidentified clergyman's criticism of Hollywood's current epidemic of semi-religious films. We take exception to you, Mr. Honore, and if this puts us on the side of the angels, believe me, it is the first time.

Under the cloak of a religious theme Hollywood can get away with more sex than many of the imported offerings which are sold simply on that three-letter word. The clergyman objects to the over emphasis on the physical at the expense of the spiritual and also to the deviations from the printed word. We are on his side against this type of film, but not for the same reasons.

Abysmally Dull

We object to this religious binge that Hollywood is on because it has resulted in a cycle of abysmally dull, tasteless pictures. Bible stories are simple tales, but the studios have blown them up to fit the giant screens. The result is a spectacle, with practically everyone concerned making a spectacle of himself.

The clergyman expressed concern over the possible harm such popularization of the Bible might do. That we wouldn't know, but there is one thing we do know: when you reduce any classic to its absolute lowest common denominator, you're not doing it any good.

Incidentally, whether this clergyman could or could not produce a screen play with popular appeal is immaterial. One doesn't have to be able to lay an egg to be able to detect a bad one.

A Smooth Tie-In

After writing the above we spent considerable time hoping to devise a smooth way to tie in the above remarks with the drive of Station KEAR, 1550 on your dial, to increase the membership rolls of Friends of Good Music. We eventually found an approach, but it is so involved it is simpler just to state the facts.

Station KEAR believes in good music. They also believe in maintaining high advertising standards. It takes time and money to convince advertisers that this policy can benefit them also. So, before March 31 the Station must raise $25,000 or change to the type of music that many advertisers think the public wants.

The writer has always believed that the taste of the general public is being grossly underestimated, and that advertisers who feel it is necessary to repeat the same jingle three times within less than two minutes are downright insulting. Five dollars sent to Friends of Good Music, 1 Nob Hill Circle, San Francisco 2, will indicate you

NEW COLLEGE SITE

College of San Mateo trustees chose a 150-acre foothill site on the Concar ranch holdings for the future single campus home of the college. The board abandoned the Coyote Point campus as soon as practical in recent action.

The move ended the three-year search for a permanent home for the college. This new home will cost approximately $3000 an acre.

CHILDREN GET HYPOS

The county health director, Dr. Harold D. Chope, announced plans for a mass-vaccination against polio for every first and second grader in the county.

The latest vaccine will be used on 16,000 children providing the new serum is approved by the National Institute of Health and the U. S. public health service.

In anticipation of the OK the National Foundation for infantile paralysis already has invested $9,000,000 in preparation of the vaccine. Shots of the Salk serum will not be compulsory.

ANNEXATION

A hearing on an injunction suit that would prevent the city of San Bruno from annexing 2200 acres in Linda Mar was re-scheduled for March 24. Following an hour of arguments and testimony, Superior Judge Louis Dematteis ordered continuance of the temporary restraining order now in effect.

News From Here & There

By Eleanor Doyle

Hi Folks!

It's me again . . . the local news is coming in fast, so keep on calling PL. 5-5419. I've enjoyed talking to many of you and looking forward to hearing from more of you each week. So shall we start!

Don't forget to file for your Veterans Tax Exemption.

The many friends of Mrs. FRANCES ALLEN of Abbott avenue will be happy to know that she is home after spending three weeks in the hospital seriously ill. A speedy recovery from all of us.

Did you know that every Thursday evening at 6:30 there is a FELLOWSHIP DINNER at the VISTA GRANDE CHRISTIAN CHURCH? The public is cordially invited to attend—adults 65c, children 35c and pre-school children 25c. From what I hear the food is delicious.

Congratulations to GIRL SCOUT TROOP 4, who celebrated their second birthday March 10, with the girls baking their own cake for the occasion. The girls in the Troop are Jerilyn Vickers, Darlene Price, Ronnae Amunsen, Sharlene Del Sarto, Kathleen Kidney, Barbara Marsigli, Irene Crane, Peggy Du Bois, Rosemarie Ordonez, Antonnette Boccoleri, Sandra Forsman and Diane Calvin. Mrs. V. Brown, leader, and Mrs. H. Price, co-leader.

The OWEN ENGLISHS', who formerly lived at 218 Abbott avenue, are newly located at 185 School street. They cordially invite their many friends to visit them. They are both quite active in the Holy Angels church.

The PARKVIEW GIRL SCOUTS Dad-Daughter Pot Luck Dinner was held Thursday evening, March 10, at the Woodrow Wilson school in the multi-purpose room. Approximately 200 attended the affair. Everyone had a wonderful time.

Poor little KATHY BOGDAN of 166 Thiers is seriously ill with pneumonia. Get well quick Kathy, your many playmates miss you.

Belated birthday wishes to Kristine Hansen of 57 Garwood who celebrated her sixth birthday March 12, by taking seven guests to the theatre. Those who attended were, Randy Chalmes, Nadine Mignaul, Donald Davies, Mark Hunt, Katherine Hanson, Linda Colman. Ice cream and cake was served after the movies. Lots of fun was had by all. Many happy returns Kristine, from all of us.

Glad to hear that GINO ASSERITO of 142 East Moltke is home after being seriously ill in the hospital with blood poisoning. Hope you'll soon be feeling lots better.

Mrs. Cleo Davies of 73 Garwood is another to join the ranks of a working mother. She'll be missed by many of her friends and neighbors as she has been quite active in various groups. Lots of luck to you in the future.

Another belated birthday wish to MARGIE RECTO of 331 Woodrow who celebrated her birthday Tuesday. Ten guests helped her celebrate, and a good time was had by all.

Welcome to the CLIFFORD N. LAUR family of 366 Abbott avenue, who recently moved to our city from Canada. I know they will be happy in our fair city. WELCOME!

Busy Mrs. ELEANOR HNILO of 284 Railroad is taking a dress-making course at the Singer Shop in Stonestown. She's enjoying the course and hopes to put her new knowledge to use making lots of clothes for herself and youngsters.

Another one on the sick list is JOHN PHILLIPS of 436 Price street. He's in the ST. LUKES HOSPITAL under observation. A speedy recovery to you.

The VOLUNTEER AND REGULAR FIREMEN of Daly City had a corn beef feed March 16 after the Chiefs Drill. It was held at Company 1 Fire House and approximately 37 attended. The cooks were Jack Offenbach, Dave Cafferata and Harry Bonella.

The FRIENDLY NEIGHBORS CLUB on Abbott avenue are busy planning for the children's annual Easter egg hunt. This year the plans are being made for an out of town picnic and egg hunt. The surprise of the evening was Mrs. Diane Gravatt, who recently moved from our city and came all the way from Belmont to help the girls plan the outing. The hostess was Mrs. Wilma Van Aken.

THE AMERICAN LEGION AUXILIARY are looking forward to lunch at Rickey's in Palo Alto April 2. They will be honoring Mrs. Percy Lainson, National President of the East. Hope she enjoys our city even if she will only be here for such a short visit (48 hours).

Still another belated birthday wish goes to Larry Cox, of 491 Hillside boulevard, who celebrated his tenth birthday March 17. Born on St. Patrick's Day.

PRIVATE RICHARD HICKS of the U. S. Marine Corps is now at Camp Mathews for more training.

A birthday wish across the ocean to A 2/c FRANK PERRY in the Air Force in Germany. His birthday is March 25. Hope you'll be home to celebrate your next birthday. His parents live at 25 Liebig.

Due home any time from Korea is DANTE VI TALI of the U. S. Army. He is the son of Peter Vi Tali who owns The Lot at 7201 Mission street. He has been overseas for some time.

Don't forget to write your serviceman Remember a letter from home means a lot to them.

The girls in BROWNIE TROOP 140 send a get well wish to their Troop Leader Mrs. Mel Ellis who has been ill. In her absence Mrs. Rolly Gentile has taken over the troop as she is the co-leader. Get-well from all of us too.

Convalescing in Stanford hospital is BERT BOVERO of 522 C street, Colma, who was operated on March 19. All your many friends and neighbors wish you a speedy recovery. Hope you'll be home real soon.

MISBE-HAVEN TEEN CLUB is having a CARNIVAL on March 25 and 26 at the Community Center, to help finance their summer activities and to help furnish a teen room at the center. The public is cordially invited to attend. So lets all turn out for this wonderful affair, and help these teenagers. Hope to see you all up there. Don't forget!

Seems like there are a lot of birthdays in March. Another birthday recipient is JANET GENTILE of 167 Bismark street, who celebrated her eighth birthday March 16. A family gathering helped her celebrate. Saturday she invited 15 of her little friends to help her celebrate some more. How lucky . . . two partys! Now the sad part: Janet got her wish, a ring, for her brithday. She wore it to school to show her school mates and it was lost before the end of the day. Poor Janet is heart sick as the ring meant a lot to her. Keeping my fingers crossed for you, Janet, hope you find your ring.

The WM. E. COWELLS of 26 Parma street are busy house-hunting in RENO, as his job as an architect will take him there to live. They will be missed by their many friends and neighbors. But they have promised to keep in touch.

The HOLY ANGELS CHOIR met at the home of the Kenneth VAN KENS March 18 for choir practice. There are eleven in this group including Mrs. Van Aken. They are doing a wonderful job every Sunday.

You'll all be happy to hear that GLORIA COMER who tumbled down her front stairs two weeks ago is now able to go back to school. She's certainly had a tough time getting well. But we all hope she'll be okay now. Watch those steps, GLORIA!

Another little girl, CINDY BAKER of 273 Abbott avenue, has parted with her tonsils. A few more days, Cindy, and you won't miss them at all.

Well, folks, that's all for this week. Hope you've enjoyed this week's visit, and also hope you like the way your column is growing. So how about hearing from you, you and you? Don't forget, PL. 5-5419 is the number to call if you have some NEWS FROM HERE AND THERE.

DAVID MARTINEZ AWAITS NEW ORDERS

David Martinez, Aviation Appr., USNR, son of Mr. and Mrs. L. Martinez of 61 Alexander avenue, Daly City, is now at the U. S. Naval Receiving Station, Norfolk, Virginia, awaiting further assignment to a Naval unit in the Atlantic area.

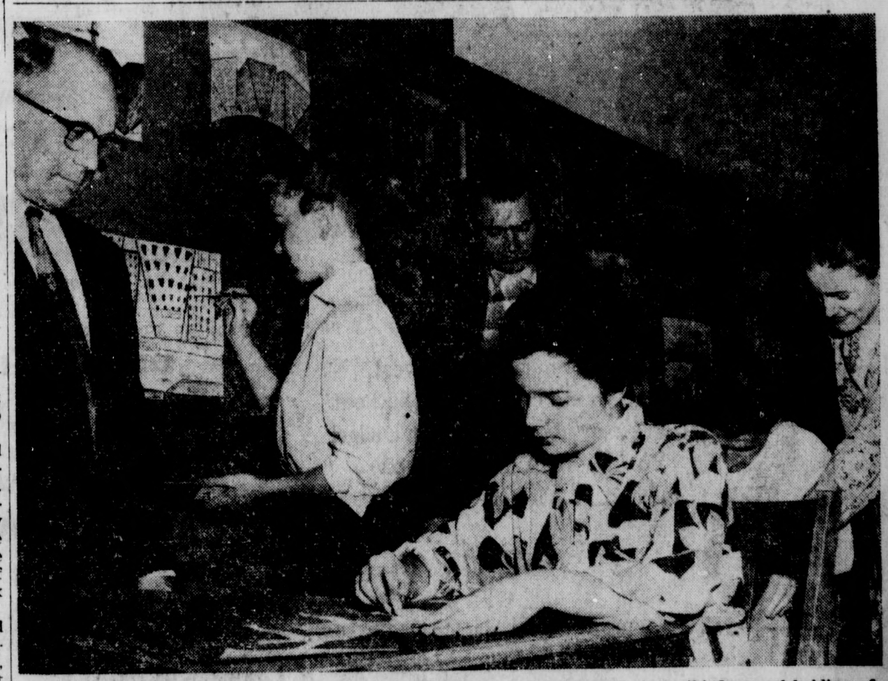
LIONS YOUTH ART EXHIBIT OPENING SET NEXT WEDNESDAY

Daly City-Colma Lions third annual Youth Art Exhibit will be opened next Wednesday at Daly City's community center.

The display of art work by students of local elementary and high schools will be open daily through April 3. Exhibit will be open each day until 9 p.m., except April 3, when it closes at 5 p.m.

Art classifications will be in three groups: Pictorial, handicraft and photography.

Elio Fontana, chairman of the program, urged all citizens to attend the free exhibit and "Learn of the imagination that can be so wonderfully expressed through the medium of art by the youth of this area."



"BRUSHING UP" entries for Daly City-Colma Lions Youth Art Exhibit which opens next Wednesday at Daly City community center are students of Mrs. Louise Brendt's art class at Jefferson High school. Shirley Hale (seated), Delores Powell and Gary Bloem ready their exhibits, which will be among thousands submitted by local elementary and high school students in third annual holding of art show. Looking on are (left to right): Stanford Hannah, Jefferson High superintendent; Elio Fontana, chairman of exhibit, and Mrs. Brendt.

Broadmoor's Girl Scouts Dine With Dads

Four "Dad-Daughter" dinners highlighted recent observance of Girl Scout Week in the Broadmoor area.

The first gathering was held March 3 at the Broadmoor community church. Intermediate Troops 13 and 23 entertained their dads at a spaghetti dinner. There were 48 attending. During the evening there was a drawing for the "Lucky Dad." Mr. Fred Brehm was the winner of a scrap book. Mrs. Brehm gave a short talk on Camp Sonora, its needs and its finances. Mrs. Edmond Cyr led the group in the singing of rounds of action songs, as she did at subsequent gatherings.

The second in the series of dinners was held March 8. Brownie Troops 30, 139, 219 and 222 entertained. One hundred twelve dads and daughters enjoyed dinner together. A contest for table decoration was judged by three fathers from different troops and the winning table was Troop No. 219, Mrs. Cydney Hess, leader. The lucky dad of the evening was Lee Pitts.

The third dinner was held on March 10, by Troops 24, 81, 129 and 183. There were 110 dads and daughters for the spaghetti dinner. The lucky dad of the evening was Bob Dier who received the Girl Scout scrap book, courtesy the North San Mateo County Girl Scouts. Troop 81, with Mrs. Florence Ecker as leader, was the winner of the table decoration prize. The centerpiece was a Maypole being wound by Brownie Scouts.

The fourth dad-daughter dinner was held on March 17, Intermediate Troops 27 and 150 entertaining. There were 77 present for spaghetti and tossed salad. At the lucky dad drawing Al Driscoll proved to be the winner and received the scrap book from Girl Scout headquarters. The table decoration prize was won by Troop 150 under the leadership of Mrs. George Irvine. Mrs. Vladyka's Troop sang several action songs complete with gestures.

"With 175 girls entertaining their dads and the two mobiles displayed at Kings Market, plus a blue ribbon on the window display at Shaw's, the 235 Girl Scouts of Broadmoor feel that Girl Scout week was a huge success," the leaders said.

Students-Parents Hold Panel Discussion At Hillside PTA

A panel discussion between parents and students was held at the regular meeting of the Hillside PTA on March 16.

Mrs. George Short acted as moderator. Parents who served on the panel were: Mrs. Samuel Siegler, Mrs. Ilsa Berg, Mr. Harold Brown, Mrs. Ruth Brehm, and Mr. Leroy Krueger. Students participating were: Ronnie Kalinan, Sandra Smith, Maria Bocci, Gary Cowden and Pat Palmer.

The question of dating by Junior High school students, and whether parents or children should choose clothing for students of this age, were among the topics discussed.

In general most parents felt that students of Junior High school were still too young for dating, but thought that parties and dances with proper chaperonage were permissable.

Both sides of the panel agreed that the students should be allowed to choose their own clothing with the approval of the parents.

Following the meeting, Mrs. Harry Bosbery invited everyone to stay for coffee and cookies.

ST. FINN BARR HAS DESSERT, WHIST FETE

The St. Finn Barr's school building committee is sponsoring a dessert luncheon and whist party on Wednesday, March 30 at 12:30 p.m.

The price of the luncheon and score cards is 50 cents. The affair will be held in the church auditorium at Hearst and Edna street. The Mesdames Joseph P. Mouille and Alexander King are co-chairwomen.

Village Notes

By Gwin Mitchell

If anyone wondered about all the gayety in the vicinity of the Broadmoor community center along about the evening of March 11, it was only the Crowd From Football enjoying another one of their group get-togethers, with friends from other streets coming along for the fun too. This time it was square dancing! Seems Maurine Guymon's brother, Keith Burnham, and his wife, Retta, are right expert in calling the steps, ma'am, so call they did, and Vivian and Bob Leech, Carl and Norma Wandt, Ruth and Trevor Jones, George and Doris Chichester, Ed and Lorraine Lee, Bill and Reba Nye, Johnny and Barbara Bodmer, Iris and Pal Nolle and Maurine and Del Guymon do-si-doed and swung their partners till everybody's strength gave out! Stan Wilson was there, too, but wife Judy couldn't make it—small matter of getting over a tonsillectomy!

Saw Vi Murphy and Dot Hazen in their police matron uniforms the other day, selling tickets to last week's policemen's ball. First time we had seen the uniforms—they're regular police blue and quite trim, to say nothing of being modelled so well.

Rev. and Mrs. John A. Glasse are looking forward to summer for a very special reason—their daughter Marie Jean and her husband Jess will be moving back to California from Chicago when Jess starts interning at Highland hospital in the East Bay. And of course two little girl grandchildren have a good deal to do with the happiness!

Nomination for the busiest street in the villages ought to go to Maddux Drive this week! There have been all sorts of happenings, including the fact that an ex-Maddux drive resident, Pauline Solem, recently presented her Donna and Billy with a new 10 lb. brother! The Solems are in Sunnyvale now. Even the Ides of March are not feared on Maddux—Ash Helmer had a birthday on the 15th and was surprised by his family with a cake and all the trimmings. The street's population has increased with the S. J. Wrights moving in as new neighbors—Mr. Wright is an officer on a Navy transport, and his wife is a captain in the Army Nurse Corps at Letterman. The stork did his share, too, bringing Andrea Louise as a Special First Baby to the M. Ray Smidts, who now have blankets for her 7 lbs. 6 oz. fluttering on the clothesline. Our own Chrissie Mitchell had her 5th birthday, with a springtime luncheon party for Linda and Susan Swanson, Cathy Falvey, Cynthia Willems, Susan Helmer, Paula Baumgartner, Ralpha Box, Karen Anderson, Pamela Eagleton, cousin Bonnie Mitchell and sister Nancy Mitchell (Whew!) The Rosenbergs have had an enjoyable visit with Bob's father, Mr. Arthur Rosenberg, who came out this way to see his grandchildren. He liked our weather and returned home to Minneapolis just when the temperature there dropped with a thud! Mr. and Mrs. Frank Ethron, Mrs. Rosenberg's aunt and uncle, stopped by, too—a short visit before returning to their home in New York. The Ray Meades spent a weekend visiting friends in Guerneville, while Lois Swanson didn't pick such a happy trip to take. Hers was to the hospital for minor surgery, but she'll be feeling fine before too long. Jean Proctor, Terry Vigano and Myra Centanni left Maddux temporarily one day when they gathered up the presents and guests and all the fixings for a baby shower and walked in to surprise Betts Doyle around the corner on Ellis! Merle Birk, Claire Williams, Millie Esposto, Gladys Bernal, Helga Gieseke, Lucille Saunders, Helen Sater and Lorna Glischinski were in on the fun, and so were 2 Lois Swansons—one from Broadmoor and one from Westlake! Betts' mother, Mrs. Jaspar Wilson, called her from Spokane, Washington right in the middle of all the festivity, so that made the day complete for the happy mother-to-be!

Thornhill drive had a birthday party of its own when Cathy Hoffman turned 7 and invited John Liska, John Heick, Robbie and Janet Warner, Suzanne Daubin, Richard Gallentine, Linda Voreyer, Judith McDonald, Ley Elliot, Joyce Coffaro, Mary Wright and Judith and Vivian Karfiol to share the fun and the birthday cake.

Evelyn Alexander left Stewart avenue one weekend for a quick plane trip to Portland to visit a Navy nurse friend of hers (they were in service together) and was delighted to see a snowfall for the first time in 10 years. She says she wouldn't want it as a steady diet, but it was pretty as a sometime thing.

MacArthur's Larry and Molly Phillips went on a jaunt, too—for a week. Traveling by plane, they went to Dallas, Texas, on a business trip, on to Oklahoma to see relatives and then to Chicago, where they attended the frozen foods convention. The weather was beautiful till time to leave Chicago for home, when a storm held them up for 10 hours. They are glad to be back!

Broadmoor's barber, Clyde King, and his wife recently celebrated their 8th anniversary with dinner at Rudie's. Since Clyde has cut hair for all six members of our family, we'd like to say congratulations six times over!

When a feller's three years old, then he really has the world on a string! Clark Elliot on Bradley thought so, too, so had a party to start things off with a bang. Gregory and Lynn Magnusson, Robin Dini, Billy Miles, Patty and Gary Eassa, Randy Chernok, Sharon Olsen and brother Jay Elliot all had a good time too!

The mumps are still busy—Diane Ellis was Thornhill's candidate recently, but she didn't take long to send them on their way. We were sorry to hear that the John Pickens family has been having their share of sickness, and hope that everything is back to normal at their Nimitz drive home. Foothill's Haldane Cashdollar has been very ill with pneumonia, but is on his way back to health, you'll be glad to know. Gladys' mother, Mrs. Jane McClellan, took time off from her job as Red Bluff's head police matron and came to stay with Gladys while Haldane was in the hospital. Agnes Luttringer, from Alder avenue, had to go to the hospital too, for serious surgery, and Beechwood's Maryann Read was ill for a time. It's too bad that so many of our families had so much sickness this year; we hope most sincerely that everyone gets well and stays well, so that spring and summer can be especially nice for all of us this year.

Chances are, if you like to browse in the City of Paris' Normandy Lane, that you might see an attractive package of frozen hors d'oeuvres labelled Party Pickups. They'd be the bright idea of Geri Furst, a Village Lane resident and a home economics consultant. Geri also does recipe development and food photography for national magazines, and can she bake good cookies! We know, firsthand!

Mary and Ralph Coppola have been having an old home week talkfest with Ralph's sister and brother-in-law, the Nicholas Barlettas. They'll have plenty of time to talk together. Nick will be working in San Francisco and the family will stay in the Bay Area. Right now, the Coppolas' 88th street home is full of family!

The members of the William Wartes Circle of the Presbyterian church were glad to welcome Shirley Nichols to her first Circle meeting since her new baby girl, Nancy Jean, arrived to be the fourth child in the Nichols home in Daly City. Nancy started with 8 lbs. to her credit, and Shirley isn't sure just how much she weighs at one month, but can vouch for her appetite!

After spending several pleasant months with Charlotte and Rex Spruiell at their Sweetwood drive home, Rex's mother, Mrs. J. M. Spruiell, has returned to her home in Knoxville, Tenn.

Louvaine drive had two birthdays to its name: Gregory Florio, who had a family 4th birthday party, and Carol Courtney, who, as a wife and mother, declined to give her age—a Special Womanly Privilege!

News from Gilman drive found Helen and Maurice Whitehouse enjoying a Saturday evening dinner and sociable visit with friends in Oakland.

Mrs. Mendel Plansky New Woodrow Prexy

At the last meeting of the Woodrow Wilson PTA nominations were made and officers elected for the coming semester.

Taking over the role of president will be Mrs. Mendel Plansky, long known for her untiring and enthusiastic work in PTA. Assisting Mrs. Plansky will be Mrs. Carlos Tydingco, vice president. Other elected officers are: recording secretary, Mrs. William Scott; treasurer, Mrs. Philip La Bruzzo; auditor, Mrs. Otis Simonsen; historian, Mrs. William Tylenda. These officers will be installed at the next meeting which will be held Tuesday, April 19, at 7:30 p.m.

Feature of the meeting was a panel discussion covering the subject of "Budget and Finance in the Home." Panelist were Mr. Charles W. Dechant, district supervisor of school savings in San Francisco. Mr. Dechant talked about the school savings account, and how profitable it is to the child to save a small amount each week. About 25 per cent of Woodrow Wilson school children have accounts, a very good percentage, according to Mr. Dechant.

Mrs. Charles Ellis, parent education chairman of 17th district C.C.P.T., acted as moderator and gave the PTA point of view.

Mrs. H. Ashton gave her experience in working out a budget, and putting it to use successfully. She represented the home. Mrs. Ruth Mayo, homemaking teacher of Colma school, told how girls are being taught in seventh and eighth grades to wisely prepare nourishing and inexpensive meals and how to wisely plan and make articles of clothing.

Miss McHugh's third grade class gave an informative play showing two classrooms. One was a time-wasting, school-property-wasting class. The other took care of books, pencils and paper, and made good use of time. It showed that the child too can budget his time and energies, putting them to good rather than destructive uses.

The faculty luncheon held on March 11 was a success. St. Patricks Day decor added gaity to the occasion. Luncheon was prepared and served by Mesdames O. Simonsen, M. Plansky, A. Waldvogel and F. Cunningham. Mesdames F. Watts, R. Lovel, F. Klassen, and S. Davies did "yard duty."

Seventeenth District Convention of C.C.P.T. was held in San Carlos last Thursday. Mesdames R. Caruse, S. Davies, M. Plansky, R. Lobel, A. Waldvogel, O. Simonsen, and F. Cunningham were delegates to the convention.

Company on Bradley—Mr. and Mrs. Robert Swan from Brookings, Ore., came south to visit their daughter, Jan Talbot and her family. Needless to say, the children were glad to see them come, grandparents being the wonderful people they are!

There was need of commiseration on 90th street lately—Dick Buhman got involved with some poison oak, and a wisdom tooth extraction brought Ray Logan a fine collection of aches and pains! All is serene again—now!

Doug Alexander, John LePine, Jerry Krawetz, John Davy, Kevin Terry, Donny Peters, Marty Warmoth, Patty Warmoth and sister Janice had a fine time at Steven Mackintosh' 7th birthday party. Washington street resounded with the fun!

Our eagle eye detected Addie Mattison, Tom Jenkins, Dolores Helmer and Verna Duste at the 17th district (PTA) convention in San Carlos, helping represent the north county units and applauding the excellent address made by Dr. Arthur Cory, executive secretary of the California Teachers association.

Agnes Sirianni stopped by the other day while busy being an Avon representative and took time out to tell that son Richard, very recently greeted by the president, does not particularly care for life at Fort Ord! No doubt this will raise a lot of memories for a good many men in our town—and quite a few comments, too! Agnes had a session with bronchitis for a while and was glad to be out and about again.

Stanley and Tupperware parties are still going strong—Helen Zylker demonstrated Tupperware products at Inez Sturla's party at her Nimitz drive home, with Vivian George, Billie Buchanan, Meredith Orloff, Ann Kilty, Bernice Kirshman, Sandy Wellman, Ruth Barkan and Mrs. Edward Sturla as guests—and not too long afterward Inez, Helen, Billie and Meredith joined forces with Stella Magoon, Hazel Eagleton and Pat Riddell at a Stanley party at Meredith's home on Stewart avenue, with Frances Pricolo as demonstrator. Stella won the prize for the craziest hat—a green, shamrock-trimmed affair that was quite something!

One of the speakers at the PTA District Convention previously mentioned made a statement that civilizations are judged by their women—which could give all of us pause for thought, particularly in regard to the position that women in America enjoy. In no other country is there such teamwork between men and women in all fields of work and responsibility. We can be truly glad of this, particularly in view of another fact stated—that civilizations which ignore and degrade their women as inferiors are anything but outstanding examples of what good and valuable civilizations should be.

CROCKERITES REPORT

Sixth Grade - Miss C. Clark
By Suzanne O'Neill, Student

Our class is going to visit the Planetarium, March 25, with the Fourth Grade. We are studying the planets and stars. We have a big picture at the back of the room which explains which way the planets rotate.

We are working with stitching on burlap. We are making wall hangings. Some are not making wall hangings, but are working on squares of burlap. We use different colored yarns, materials, buttons, sequins and thread.

We have just learned multiplication of fractions, and are now working on division of fractions. We have learned to divide with mixed fractions, but we still need more work with dividing fractions by the whole numbers.

Fifth Grade - Miss G. Kearney

The children of Room 4 were surprised and happy when they learned their class won a prize again at the Parent-Teacher Association meeting held March 8.

Last Wednesday, Mrs. Cordell, our Art Coordinator, came to our class to teach us how to work with clay. She showed us how to wedge it, flatten it, to add other pieces to the form, make designs and to underglaze. We have fun! Next time she comes she is going to show us how to make other things with clay.

OLPH Fashion Show Sunday Is A Sellout

The Mothers' club of Our Lady of Perpetual Help church this week offered apologies to the many people who requested tickets, and were refused, for its fashion show and luncheon which will take place in the school auditorium Sunday at 1 p.m.

The seating capacity of the auditorium is slightly less than 500 and since there was an unexpected demand for tickets, reservations were quickly filled.

The hall and tables will be decorated by Mrs. Louise Lofrano. New stage curtains, a combined gift to the school from the Men's club and Mothers' club, will lend a charming background as the various members of the Mothers' club preview Easter fashions from the Elsa Margo shops. Mrs. Virginia Hethcoat will provide the musical background for the models.

The models are being rehearsed all week by Mrs. Isabelle Libert; who has charge of the models and who is also doing the commentating for the affair.

This year the children will be given considerable competition by the junior models, Leona Fellman, Maureen Powers and Cecelia Sullivan.

Souvenir programs are being designed by Mrs. Jeanne Haney.

Mrs. Janet Fellman has charge of the luncheon. Service will be arranged by Mrs. Dorothy Petersen, Margaret Kennedy and Barbara Plyer, with the assistance of about 20 Mothers' club members.

Mrs. Dorothy Strebel is in charge of the reservations and will be assisted in this duty by Mrs. Esther Nolan. Mrs. Dorothea Brush has charge of the hostesses.

Backstage management will be taken care of by Mrs. Mary Theibaut, Helen Fredericks and Helen Rodrigues. Mrs. Edna Cubic will award the many door prizes; Mrs. Dorothy Gehre is in charge of the investment and Mrs. Louise Bonella and Mrs. Agnes Kollman have been busy securing tables and will assist with the arrangements.

Coordinating this affair will be Mrs. Catherine Ricci, general chairman.

The proceeds of this affair, as with all Mothers' club ventures, will be applied to the many projects for the welfare of the school and the children.

WOMEN OF MOOSE HAVE BUSY SCHEDULE

Women of the Moose, San Francisco Chapter 739, have a busy schedule planned for April and the end of March, to raise funds to help give Mooseheart Baby Village a new look.

Tuesday the choral groupe will hold a canasta luncheon at 1555 Cayuga street at 12 noon. Price is 75 cents. Vivian Lasko is in charge.

An April 23, the choral will hold a box social party at the same address, home of Eva Haverlock. Members, relatives and friends are welcome. All ladies are asked to bring a box lunch to be bid on.

On April 13, the chapter will hold a whist game at Spreckles-Russell Dairy, 1717 Mission street, at 12 noon. Price is 50 cents Chairman Eva Jennings is in charge.

FETE COUPLE HERE ON 30th ANNIVERSARY

Thirtieth anniversary of Mr. and Mrs. O. Hansen, 297 Acton street, was occasion Saturday for a surprise party in their honor at the Marine Reserves club in Daly City.

Given by the couple's daughter, Adele Hansen, and son, Sgt. David Hansen of the Daly City police force, more than 500 guests were on hand for the festive occasion.

Cocktails and buffet supper were served and music was provided by the "Tune Toppers."

Highlighting the evening was presentation of an automatic dryer to the honored couple.

Circle Eighters Fete

The Circle Eighters will hold another "Beginner Square Dance Party," in the Brisbane school auditorium Saturday, April 2. It is the second party this year.

A beginner square dance class is held in the Brisbane school each Tuesday night. Al Patten is instructor.

PLYMOUTH WINS
FOR 1955 STYLING
OVER "OTHER 2" LOW-PRICE CARS
BY VOTE OF ALMOST 4 TO 1

THOUSANDS PREFER PLYMOUTH'S STYLING IN NATION-WIDE SURVEY!

A well-known independent research organization asked thousands of people—in New York, Chicago, Detroit; Atlanta, Dallas, Los Angeles—to compare the appearance of '55 models of the three low-price cars. Opinions were received from men and women—from people of all ages—from owners of all the different makes of cars. The results are below.

Best buy now; better trade-in, too!

HERE'S WHAT OTHERS THOUGHT OF PLYMOUTH!

Compared with low-price car "A"		Compared with low-price car "B"	
Plymouth is better looking	62%	Plymouth is better looking	66%
Car "A" is better looking	16%	Car "B" is better looking	17%
Almost 4 to 1 in Plymouth's favor!		Again, almost 4 to 1 for Plymouth!	
(22% liked "both about the same")		(17% liked "both about the same")	

HERE'S WHY YOU'LL PREFER PLYMOUTH, TOO!

Plymouth '55—with THE FORWARD LOOK—is the only low-price car to offer you honestly new styling, instead of a mere face-lifting. It's bigger than the "other 2" cars (longer than car "A" by 8.4 inches!). It's lower and sleeker, with a host of styling advances that wins the most applause in the lowest-price field. See everything Plymouth has to offer today!

School Notebook

87th Street

Mrs. Carle's first grade had two birthday girls this past week—Heather Amans and Mildred Allen. All four of the teachers were busy looking over and sorting out the exhibits turned in from each class for the Lions' Art Show.

Garden Village

As a finish to their early California history project, Mrs. Rich's fourth grade presented a TV program on the subject to the other fourth grade classes. . . . Marilyn Wagner announced, with each child telling a part of the story, presented by means of lantern slides the children had made themselves. Tom King and Kenneth Delfino operated the projector, and Susanna Silva, Geoffrey Caldwell, Jim Henderson and Helen Allen made the show complete with their singing commercial. Could be some lucky parents will get to see this special TV production! . . . Birthdays brought a round of greetings for Russell Green, Dick Beauchamp and Larry Flint, all in Miss Davis' second grade, and the Brownies in the class were all excited over their dad-and-daughter dinner. Together with Mrs. Nelson's second grade, the class paid a visit to the Westlake fire station. . . . The age of science has claimed the attention of Mrs. Ballou's fifth graders. Larry LaVoie, Blaine Hayward, Ken Lawson, Melvin Hahn, Kurt Neff and James Lair conducted some experiments in the production of hydrogen, oxygen and carbon dioxide and explained them to the class.

Hold Services For Auto Crash Victim

Funeral services will be held today at 1 p.m. for Dennis Charles Hancock, 24, 59 Wilson street, who was killed Tuesday in an automobile accident near Tahoe City on Highway 50.

The accident occurred, according to police reports, when the car in which Hancock was riding, failed to make a turn. Two companions, Clabert H. Dobbins, 27, and Doyle E. Lacy, 29, both of San Francisco, were injured in the crash.

Hancock, who had been a resident of Daly City for 13 years, is survived by his parents, Mr. and Mrs. Charles C. Hancock of Daly City, and two sisters, Mrs. Patricia H. Jones and Sharon Hancock.

He was a merchant seaman and an army veteran of the Korean War.

Services will be conducted from the mortuary of W. C. Lasswell Co. Interment will be at Golden Gate National cemetery in San Bruno.

George Constantin Jr. Completes Tour Of Duty

George Constantin Jr., whose wife, Jackie, lives at 6548 Mission street with Mr. and Mrs. James Poket, has returned home from service with the Army in Korea and received his honorable discharge last week.

He is the son of George Homer Constantin Sr. of Hanover street.

During his two years of duty, young Constantin served 18 months in Korea.

On his return home last week, he and his wife took a two-day trip to Reno, Nev.

Slick-talking Con Men

A trio of slick-talking bunco artists struck at Mills field again Saturday. James H. Ripley, a navy enlistee, said he lost $297 in a coin-matching game almost before he knew he was playing.

Sheriff's authorities said this was the fifth such incident in San Mateo county in recent weeks.

"Your Hit Parade" Theme Of College City Cub Pack Meet

"Your Hit Parade" was the theme of the unusual and enjoyable musical meeting, complete with singing commercials (Den 6) an orchestra (Den 5), and Liberace and his piano and his brother George with his violin (Den 4), planned by the leaders at their Monthly Planning Conference held recently at the home of Dr. and Mrs. Robert Roseberry, 98 Manor drive, San Francisco, and attended by over two hundred Cub Scouts, parents and friends of College City Cub Pack 340 in the auditorium at Commodore Sloat school, Darien Way and Junipero Serra boulevard, San Francisco.

Den Exhibits

After viewing the Den Exhibits of craft projects made by the Cub Scouts both at home and in their den meetings, "To the Colors" by Den Chief Kenneth Jenkins, the Presentation of Colors by the Lion Cub Scouts, Presentation of Awards earned by the Cub Scouts during the past month by Cubmaster D. C. Bryant and Assistant Cubmaster Marshall Goodmanson, Presentation of the Class A Streamer and Certificate for the outstanding Pack 340 Window Display at the Emporium in Stonestown during Scout Week by Dr. Clarence E. Butler, "Your Hit Parade" was presented by the eighty appropriately and gayly costumed Cub Scouts of the twelve dens of Pack 340 under the direction of their den leaders.

Memorial Service

After a brief but impressive memorial service for the late Mr. Jack Grimes, refreshments were served by the Den Dads.

"Discovering America" will be the theme of the meeting on Friday, April 1, of College City Cub Pack 340, which meets the first Friday evening of each month at Commodore Sloat School.

NOTICE OF SALE OF BONDS —of— JEFFERSON UNION HIGH SCHOOL DISTRICT of the County of San Mateo, State of California

The Board of Supervisors of the County of San Mateo hereby invites sealed proposals for the purchase of TWO HUNDRED EIGHT THOUSAND DOLLARS ($208,000.00) worth of bonds of the JEFFERSON UNION HIGH SCHOOL DISTRICT, a Union High School District of the County of San Mateo, State of California, and bids therefor will be received by said Board of Supervisors up to the 19th day of APRIL, 1955, at the hour of 10:00 o'clock A.M. of said day, when all bids received will be opened at the Chambers of said Board in the Courthouse, Redwood City, San Mateo County, California. Said bonds are numbered from 677 to 884, inclusive, and each is of the denomination of One Thousand Dollars ($1,000.00) and shall bear interest at a rate not to exceed five per centum (5%) per annum, payable annually for the first year the bonds have to run and semi-annually thereafter on the 1st day of January and the 1st day of July of each year, principal and interest payable in any coin or currency which on the respective date of their payment is legal tender for the payment of public and private debts at the office of the Treasurer of said County of San Mateo at Redwood City, California, and will each bear date of JULY 1st, 1951. Each bidder shall specify in his bid the rate or rates of interest he desires said bonds to bear, not to exceed five per centum (5%) per annum, and the premium offered, if any. Bidders may make one or more alternative bids or offers for said bonds at different interest rates. Split rate interest bids will be received and it shall not be necessary that all bonds offered for sale bear the same rate of interest, but such interest shall be in multiples of one-quarter of one per cent. The definitive rate of interest said bonds shall bear shall be determined at the time of sale. The best bid will be determined by deducting from the total amount of interest which the district would be required to pay up to the maturity of the bonds, at the coupon rate or rates specified in the bid, the amount of the premium, if any, bid therefor, and the award will be made at the lowest net interest cost to the District.

The number of years said bonds will run and when payable are as follows:

FIFTY-TWO THOUSAND DOLLARS ($52,000.00) of said bonds shall mature on the first day of JULY in each of the years from and including 1965 to and including 1968.

Said bonds are a part of the unsold remainder of a bond issue totaling $1,300,000.00, of which $676,000.00 have been sold and of which $520,000.00 worth are now outstanding, and will be issued in pursuance of the election held in said school district on the 18th day of MAY, 1951, and in conformity with the laws of the State of California and pursuant to and in compliance with and in the form prescribed by resolution and order of said Board of Supervisors adopted on the 19th day of JUNE, 1951, and entered in the Minutes of said Board, to which reference is hereby made for greater particularity.

At said election 2687 votes were cast; 2112 of said votes were cast in favor of the issuance of said bonds, 551 of said votes were cast against the issuance of said bonds and 24 ballots were void and not counted.

Such proposals and bids may be addressed to said Board of Supervisors and bids may be made for either the whole issue of said bonds or for parcels thereof. Bids must be for not less than the par value of the bonds bid for, and be payable in cash in lawful money of the United States. The right is reserved to sell said bonds as a whole issue or in parcels and to reject any and all bids. Bids must be accompanied by a certified check, certificate of deposit or cashier's check upon or of some responsible bank in the sum of Five Thousand Dollars ($5,000.00) payable to the Chairman of the Board of Supervisors and conditioned that if the proceedings be legal the bidder will purchase said bonds at the price bid and pay for the same at the office of the Treasurer of the County of San Mateo within five (5) days after notice given that such bonds are ready for delivery.

The assessed value of the property situated within the said school district, as shown by the last assessment roll is $48,997,358.00, and there is an outstanding bonded indebtedness in the sum of $532,000.00.

The purchaser will be required to funish his own legal opinion as to the legality of said bonds.

The Jefferson Union High School District includes within its limits the incorporated City of Daly City, The Town of Colma, the unincorporated areas of Brisbane, Bayshore, Broadmoor, San Pedro, Sharp Park, and outlying areas, and the District has a population of approximately 36,000.

The District has within its limits several banks and numerous places of business. There is no controversy or litigation pending or threatened concerning the validity of the above bond issue, the existence of the District, or the title of the officers to their respective offices.

By order of the Board of Supervisors of the County of San Mateo.

Dated: MARCH 15th, 1955.

Mustang Spikemen Nip Jeff; Lightweights Win

Double wins by Lowell Klaisner and George Segar weren't quite enough to give Jefferson High school varsity trackmen a victory last Friday against Capuchino, as the Mustangs prevailed, 57-56.

The Indian lightweight spikesters had it better, as the 30s won, 63-50, and the 20s registered a 46-22 triumph.

Varsity outcome might have been different had Jeff's top high-jumper, Bill Curtis, seen action. Curtis has a 5' 9" leap to his credit this year, best in the league. He had to withdraw from the meet because of a leg injury. Winning height in the Cap meet was 5' 8".

Klaisner Undefeated

Lowell Klaisner is still undefeated in his 100 and 220 yard dash specialities, after annexing these events in respective times of 10.5 and 23 seconds.

Segar claimed both the weight events, putting the shot 45' 8" and getting off a tremendous 123' 10" discus heave.

Only other Jefferson winner was Jim Rector, who came off the sick bed to tour the mile in 4:43.7, a better-than-average time.

Ron O'Rourke rolled up 5¼ points for the Indians with second in the 220, third in the 100 and a share of first on the Jeff's winning relay team, which ran the 880 yard event in 1:36.4.

Mike Cloonan ran second in the 440, was on the relay team and finished third in the shot put.

30s Win Six

Jeff pulled off six firsts in the 30s division, topped by Boyd Hillyer's 46' 5" effort in the shot. George Bullwinkel claimed the 660 in 1:33.3, Duane Hale captured the 330 in 39.4, Armando Gutierrez 15.3 took the 120-yard low hurdles, and Andy Estigoy toured the 1320 in 3:35.7 to annex that race. The Indian 440-yard relay quartet turned in a 48.4 clocking in winning.

Sunny Martinez and Dan Miceli scored double victories in pacing the 20s to a rout over the Mustangs. Martinez won the 75-yard event in 7.9 and the 150 in 16.3.

Dan Miceli's 40.2 led the field in the 330, and he broad-jumped 16' 11" for the day's best. Neil Dunford was the only other Indian winner, getting off a 40 foot toss of the shot. The local relay team finished first with a clocking of 49.1 in the 440 distance.

Today (Friady) Coach Ernie Ribera's Indian thinclads meet Carlmont at the Daly City oval, and play host again Tuesday to the San Mateo aggregations.

That's My Point

By Monte Dayton

HARDLY ELIGIBLE FOR THE CRYING TOWEL

When your least powerful hitter is a guy that's "only" got one single, two doubles and a homer in pre-season games and your No. 2 pitcher gets 17 strikeouts in two contests, you're hardly a candidate for the crying towel.

That's the situation Coach Lou Martin of Jefferson finds himself in this year.

Lou, whose only a youngster in the coaching game but still affects a Pappy Waldorf stogie at crucial moments, has had a good record in his two years at the Daly City school. This year will be his best, for our money. In Martin's initial season here, he gained a four-way tie for first in the Peninsula Athletic league with a 7-3 mark. Last year the Indians had talent, but got off too soon on the Streetcar Named Desire, finishing with a 4-6.

This year Martin's No. 1 nine not only has an abundance of talent, but they put some meaning in that old cornball epithet, "spirit."

INSURANCE MAN WINS FIRST OF FIVE

We're reminded (by the book, not memory) of the first of Jeff's five championships, which came in their debut in PAL play, 1927. That was the year Pete Markovich, now a local insurance broker and man-about-town, won seven games, lost only one, with his lazy left-handed offerings that were easy to watch but hard to hit. Among members of that championship team were Lawrence Kennedy, brother of the fire chief, and Moe Plansky, both well known here.

Jefferson has been the spawning place of such professional players as Don Mossi, Ed Cereghino, Leo Giannechine, Johnny Olcese, and, believe it or not, Police Chief Roland Petrocchi, who toiled with Salina, Kansas, a few years further back than he cares to remember.

We think there'll be some "name" players come out of this year's Jefferson team.

To date, the Indians have amassed an 8-2 practice record, against substantial competition.

With only three returning veterans, the Jefferson team's strength comes from "second-stringers" who've grown into their baseball shoes.

One returnee, of course, is Pitcher Lowell Creighton, All-PAL in '54 and probably one of the best prep chuckers in northern California. He's got a 3-1 record and all the rest of his entries this season will probably be in the left-hand column.

A DREAM TOO GOOD TO BE TRUE

Although it seems to be only a dream too good to be true to Martin, Creighton can also hit. He's got 10 runs batted in already, more than most pitchers get all season. He's slammed six hits, two of them doubles, in 18 trips for an enviable .333 average. And here's the clincher: Creighton can play the infield admirably when called upon.

It's hard to tell where Jeff's batting strength ends and the first team begins.

Probably the most consistent lumber wielders are outfielder Bob Gaggero, 1st sacker Bob Bailey and Catcher John Murphy, although you really can't draw a line.

Gaggero, up from last year's reserves, has rung up nine hits, including a double, triple and two home runs, in 27 jaunts to the plate, for an even .333. He has also pushed across 10 RBIs, the old bread and butter abbreviation.

Murphy is the big surprise for Martin. Just a scrub outfielder in '54 who saw action only in early season, Murphy has fit into the catcher's mask and glove like "a glove." With a wicked .500 to date on 12 hits in 24 outings, Murphy isn't high in the RBIs but has scored himself 10 times. He's not a long ball hitter, getting all singles, but has that sought-after ability to "knock 'em where they ain't."

HE'S MADE FOR THE KEYSTONE SACK

Bailey, a 16-year-old junior who was good enough for the first team last year, is even better this year. A 6'1" left-hander, Bailey is made for the keystone sack, says Martin. With a dozen hits in 23 opportunities, Bailey is soaring along at a plus .500. A workman with the bat, Bailey doesn't go for the long ball but has the potential as witnessed by a double, triple and a 450-foot homer to date.

Before we lead the reader to believe this is all Jeff's batting muscles, we'd better mention Al Figone, who just retired his basketball duds two weeks ago. Figone, as you may remember, was All-PAL third sacker in 1954 and led the league in batting with a robust .412. Ouch! Seeing action in only a few games, Figone has already got four hits in seven trips.

Ken Smith, at short-stop, is classed by Martin as improved 100 per cent over last year, when he saw limited varsity action. He has seven hits in 26 attempts, close to .275.

Rich Giusti, outfielder, has only six hits for 23, but included in that six are two doubles and a triple. Martin says Giusti is his outstanding fielder and avows that he has the "best arm" I've ever had.

Fielder Bob Grubb is low man on the hitting totem pole, with four in 21, but his defensive play more than makes up for it. In addition, Grubb is another of those Jeff players always dangerous at the plate, having two doubles and a four-master in his quartet of attempts.

MOUND IS FULL WITH HURLING STUFF

For a second team, Martin has Tex Prentice, Ray Vuillmainroy, Jim Honeywell and Rich Watso as mound stand-bys. Both Vuillmainroy and Prentice have 2-1 records and will battle for the No. 2 spot. Prentice is still a little erratic but showed that he is overcoming it Friday with a four-hit, one run win over SFS Jayvees. Vuillmainroy has been impressive in his two wins, garnering 17 strikeouts. Honeywell is another basketball player who's just losing his cage legs. He'll give Ray and Tex a run for their money, Martin predicts. Watso fills in nicely as a reliefer.

Martin lacks depth in the infield, having only Bill Storch to fill any gaps.

Ino Patron, sensational freshman second bagger, will probably have his services turned over to Byron Van Alstyne's frosh-soph team, where he can help the FS club to maintain their unbeaten record. "Best glove man I've ever seen," is Martin's description of Patron. Martin should worry. He'll have the youngster three more years.

Infield depth is really no problem, since Creighton, Vuillmainroy, Giusti and Larry Kennedy can handle themselves ably at almost any post. Vuillmainroy holds down second when not pitching, and is a better than average hitter, having two home runs already.

Asked for a statement on his team's chances, Martin said blithely, "We're going to surprise a lot of people in the PAL this year."

We'll be watching when league play opens April 1 against Capuchino. After a glimpse at Martin's lineup, the biggest surprise to this department would be seeing Jefferson defeated.

Argonauts Keep Unbeaten Record In Teeners League

The undefeated Marchbank Argonauts maintained their perfect record with a 39-36 victory over the Brisbane hoopsters in a teenage contest played last week at the community center. The visitors, led by classy Waldy King, forced the league leaders to come up with their best game in order to preserve a win streak that has grown to four consecutive games.

Al Long, sharp shooting Marchbank forward, was the difference between the two clubs as the former Jeff Hi 110's star accounted for 12 of the first 14 points scored by the Argonauts. Long easily wound up the individual scoring star of the evening with 19 digits.

Despite Long's fine effort the Brisbaners, hustling all the way, nearly pulled the game out of the fire in the final period when Fuzzy Firth and King combined to cut the Marchbank lead to a mere two points with a minute and thirty seconds remaining.

The locals Andy Ruelas hit a charity to give the Argonauts a three-point bulge but Herm Kihs retaliated with a sizzling jump shot from 20 feet. Behind by one point with seconds remaining, the out-of-towners lost all hope of victory when George Rocchi, Marchbank guard, hit his third field goal of the night to wrap up the ball game.

OLPH JUNIORS GET FIFTH STRAIGHT WIN

OLPH Juniors overcame an eight-run deficit last weekend to defeat St. Gabriel, 11-8, in a practice baseball contest.

Barry Krohn, Bill Whalen and Jeff Pearlman sparked a hitting rally in the final two innings that allowed the OLPHers to overtake SG.

Dick Reese was the winning pitcher, after weathering a heavy barrage of hits in the opening innings. It was the fifth straight win for the OLPH nine.

Saturday the OLPH midgets stage an inter-squad game at Marchbanks, starting at 10 a.m.

The Juniors play at Marchbanks at 11:30 a.m. that day against All Souls of SSF.

Jeff Nine After Twenty-Game Record

Extend Record To 9-3; Meet SFS Again Today

Pushing their practice game record to 9-3 this week, one of the best in the Bay Area, Jefferson High school's whiz-kid baseball team decided today on a 20-win goal for the season.

With 19 games remaining the powerful Daly City club could attain this mark and set a new victory record for the local high school.

The Indians wallopped a good Sir Francis Drake club, 13-5, Wednesday by virtue of an explosive eight-run second inning.

Southpaw wizard Lowell Creighton gained his fifth win in six starts as he shackled the Drakes for six hits, giving up only one walk and whiffing ten batters.

Jeff spread a "lucky 13" all the way across the book, getting 13 hits, 13 walks and 13 runs in piling up their ninth victory.

Ken Smith, short stop, whacked three singles in four attempts to lead the batting roster. Bob Bailey picked up two in three tries, Creighton got a perfect two for two and Bob Grubb, changing his stance, banged out a triple and a single in three attempts for his best performance this season.

Extra-Inning Loss

Coach Lou Martin's crew suffered a 3-2 extra-inning setback Tuesday against Polytechnic, a team they whipped in an earlier contest.

Tex Prentice, although the losing pitcher, turned in his best performance of the season. Prentice gave up eight hits in the contest that went eight innings. Usually wild, Prentice had a four-hit shutout going until the eighth. Prentice went the whole route without giving up a base on balls.

The contest was scoreless going into the extra frame. Jeff picked up a pair of tallies on hits by Al Figone, a single, and Bob Gaggero, a 400-foot triple, and Rich Guisti, a single.

The Parrots retaliated with three runs on four singles to notch the victory.

Jefferson had eight hits, led by Gaggero's two for three, and Larry Kennedy's two for four. Bailey doubled for the Jeffs.

The Indians' chances died on base as they left eight men stranded on the bags.

Topple Jayvees

Friday against San Francisco State Jayvees the Indians won, 3-2, as they faced the SF varsity's No. 3 pitcher.

Prentice went four innings and was credited with the win, allowing four hits, two walks and striking out four. Jim Honeywell got his first test this season and looked "fair" as he worked the last three innings on the mound, giving up four hits.

Again, the Jeffs versatile hitting punch proved the margin, as Bailey, one of several power sluggers, whacked a 400-foot homer in the third to score two ruhs. The Indians picked up another one in the fourth as Prentice and Smith singled, with a wild pitch sandwiched between.

The Indians had seven hits, one error, compared to eight hits for SF.

The Daly City club plays host today (Friday) to the SF Gators in a return match and will be seeking their tenth win, exactly half of their seasonal goal. Game starts at 3:15 p.m. at Jefferson diamond.

With no practice tilts next week, the local nine will concentrate on preparing for the league opener next Friday with Capuchino at the San Bruno diamond.

WIND-UP RING TOURNEY AT JEFF

Heavyweight Mike Cloonan punched hard and often to register a technical knockout over Mike White in one of the top novice bouts Wednesday in the finals of Jefferson High school's annual boxing tournament.

In the senior division (for advanced boxers) Bruce Lovagzzano and Bob Morris, a pair of 127-pounders, provided the outstanding battle, with Lavagzzano gaining a decision.

In other senior class fracases, Byron Garnett won a split decision over Al Montez in the 135-pound division, Ralph Ciarlanti won the judges nod over Milo Williams in the welter class, and Harry Sampson, unsuccessful in his Golden Gloves try here Thursday, decisioned Larry Conway.

In novice bouts, Jerry Speakman decisioned George Blakemore in the 135-pound go, Fred Wilson edged Charles Erickson in the 147-pound division, and Ron Riggs TKO'd Thurman Dismukes in the third round of a 175-pound melee.

Joe McGrath headed the annual program and acted as referee. He was assisted by Mike Orlich, timekeeper, Tony Giammona and Ernie Ribera, judges, and Bob Lincoln and Bob Watts, seconds.

Throughout the eliminations and finals of the tournament not one boxer received injury. During the four years the program has been conducted only one injury has been recorded.

THE RECORD — SPORTS

YOUTH GROUP SOCCER LEAGUE IN BROADMOOR

Continuing its long range plan for organized athletics for all ages, the Broadmoor Youth Association announced this week the organization of something new in soccer—a league of all playing members from ages 8 to 17 years.

Under the able coaching of renowned professionals Otto Krawitz, Pres Hix and Ed Hyndman, youths of the Broadmoor area will pioneer this fast growing sport and will be organized into leagues locally. When competition affords, they will travel to their games. The teams will consist of five men each with two playing subs. All participating youth will play.

According to Coach Hix there will be two more weeks of practice sessions on Tuesday and Thursday at the Garden Village school at 5:30 p.m.

Nearly 100 At Pistol Shoot; Sheriff's Win

A record attendance of nearly 100 turned out Sunday at the Ottoboni pistol range in Colma for the second annual San Mateo County Police Pistol Shoot.

Walking off with first place honors in Class A was the San Mateo county sheriffs' special deputies, while San Mateo county regulars (sheriffs) were runners-up.

Class B was annexed by San Francisco police department school, while San Carlos police department was second.

The San Mateo county sheriff's regulars claimed first in the C Class, followed by San Francisco police department.

'GLOVES BOUTS DRAW RECORD 1000 CROWD

By Frances Kavanaugh

Twenty-one amateur boxers battered forward on the first steps toward national fistic fame in Daly City last Thursday night with victories in the Golden Gloves preliminaries. Four others won by default.

For the first time in history, the bouts were staged here, and more than 1000 persons watched them four hours in the community center building. Crowds stood in the aisles, doorway and the foyer.

Paid admissions numbered 902, but fighters, managers, handlers and their families were admitted free, and they were numerous.

Our Lady of Perpetual Help Men's club presented the program, sanctioned by the California State Athletic commission, which provided the officials.

Toe-To-Toe

The pattern for most of the fights was two-fisted toe-to-toe slugging. Ringsiders could tell from the boys' expressions which would win the bout.

The "main event" was a gas-house gang alley brawl, won by Al Conley, 139 pound senior, in a third-round TKO of Stanley Perez of Oakland.

Conley, a masterful boxer, could have had an easy decision by piling up points with left jabs and right crosses. Instead, he elected to slug out his victory, and Perez matched him blow for blow for two rounds.

Both boys hammered each other viciously and relentlessly in those first two rounds and Conley was on the floor in the first when he took a punch and slipped.

In the end, it was Conley's superiority as a boxer that gave him the victory: He had a whole arsenal of right-handed blows and had the know-how to land them. Midway in the second round, he staggered Perez with a Bolo-like upper-cut to the chin, and, in the third, he used chops, hooks, jabs, crosses, roundhouses and slings. It was an overhand right to the head that Conley used to floor Perez in round three that led to the TKO.

This battle had the spectators groggy and dripping perspiration as they whistled, yelled, cheered and stamped during the fighting and applauded at the end of each round.

Frosh Club Wins Sixth

Jefferson High school's frosh-soph baseball club made their debut in PAL play a successful one last Thursday as they mastered San Jose, 5-1, on the Daly City diamond.

Three days later, Monday, Coach Byron Van Alstyne's Indians scalped Riordan, 13-1, for their sixth consecutive victory against no losses.

In the league opener the Indians picked up nine hits as Ed Leveroni, giving up only a pair to the San Joseans, was credited with the win.

Leveroni had seven strike outs and walked only three men. Leveroni has been the winner in five of Jeff's six games.

Hitting was led by Barry Haanen, left fielder, who got a double and a single in three trips Leveroni picked up a pair of singles himself to aid his own cause. Ino Patron, freshman sensation, also got two.

In Monday's Riordan game Paul Tapia chucked for the home towners, striking out seven batters as he gave up a pair of hits and four walks.

The Indians banged out 10 hits. Bill Strassburger led the parade to the plate with a double and two singles in three trips, while Bob Berry smacked a bases loaded triple and Tapia got two singles in three tries.

The Indian yearlings were scheduled to meet Sequoia yesterday for their second league game.

WINNAHS and champions of the 1955 Rec Basketball "A" division are these members of the Colma Rebels, who edged Sharp Park, 36-33, in playoffs Saturday at community center. Pictured (left to right, first row): John Featherstone, Ron Kalinin, Howie McKeen, Larry Schoenfeldt, Don Burley; (second row) Albert Mayer, Dick Curry, Mike Wills and Coach Rich Watso. Rebels also finished in first place in regular season play.

Mossi To Hurl In Seals-Tribe Tilt

Don Mossi, Cleveland pitcher and Jefferson graduate, will probably see action tonight (Friday) when the San Francisco Seals face the Cleveland Indians in the Seals' annual Father, Daughter and Son night at Seals Stadium.

Mossi, who came up from the sandlots of Daly City, was the ace relief hurler for the American League Champion Indians last year.

All children under 18 years of age, who are accompanied by their parents, will be admitted free.

Mossi will share the mound duties with Bob Feller, fireball pitcher for the Tribe.

JEFF SWIMMERS WIN VARSITY, 30s CLASS

Swimmers from Jefferson High took two of three divisions last week in a meet with Burlingame.

The local varsity, paced by first place winners Phil Delucchi, Bob Galindo and Ray Lippert, won out, 35-31.

The 30s, winning, 30-27, were led by R. Babbit, Dick Rasor and Roger Saunders.

Jeff's 20s were set back, 28-19. Only winner for the papooses was A. Hyers in the 100-yard freestyle.

Allain Throws Discus

Big Jack Allain, former Daly City athlete, hurled the discus 124' 8½" in his first competitive try last week for College of San Mateo in a triangular meet against Modesto and Stockton.

Allain, 6' 8" all-conference basketball choice at San Mateo, won a second for his effort. He had only taken up discus throwing a few days earlier.

H. H. Smith Says Materials Altered After Contract Awarded On Project

Cemeteries Strike Due, Golf Ends

Although the two-week-old AFL Gardeners and Greentenders strike was settled last night (Wednesday), a probable cemetery workers' strike looms next month.

Involved in the golf course strike were the Lake Merced Golf and Country club in Daly City, the Green Hills Golf club in Millbrae, the California Golf and Country club in South San Francisco, and three San Francisco clubs.

The deadlock was broken last night when the San Francisco Employers' Council, representing the Golf clubs, and the San Francisco Labor Council, representing the union, met at Colombo hall in Colma. Serving as mediator was the Federal Mediation and Conciliation Service.

Sign Two-Year Contract

A two-year contract granting a 7½ cent hourly raise, effective March 1, 1955, and another 5 cent hourly raise, effective March 1, 1956, was granted, according to Rolph Urban, Employers' Council negotiation. Urban said that the contract was signed for a two-year period. Another provision of the contract is a Health and Welfare plan, the cost of which will amount to approximately $8.60 per month, Urban explained.

Seek Sanction

The AFL cemetery workers will seek strike sanction from the San Francisco Labor Council tomorrow night (Friday). Approval has already been granted by the San Mateo county Central Labor council.

Eleven cemeteries here which would be affected are Cypress Lawn, Holy Cross, Eternal Home, Greek Orthodox, Hills of Eternity, Home of Peace, Italian, Olivet, Salem, Woodlawn and Greenlawn.

Offer 40 Cents

The Associated Cemeteries of this county and San Francisco have offered the cemetery workers 40 cents a day increase. The union is asking $1 raise from the $15.60 presently paid. It was pointed out in negotiations that other laborers are paid $16.60, but that because of steadier employment the cemetery workers have a larger annual income, John Cantwell, association negotiator, said.

INCOMING City Manager Howard Stites will be formally appointed to his post Monday at an adjourned meeting of the council. Stites will take over his duties April 11.

OUTGOING City Administrator Dan Andersen attended his last regular meeting of the city council Monday night. He will leave the job he has held for four years on April 8. Next Thursday Andersen will be honored at a testimonial dinner to be held at Lake Merced Country club.

COUNCIL ORDERS ENGINEER REPORT

City council Monday night asked for a full report from Engineer Edwin Smith on charges by a local businessman that specifications were changed on a job after contract had been awarded.

H. H. Smith Jr., motel owner and son of a former Daly City mayor, said that specifications for re-roofing of Reservoir No. 3 were changed after contract had been awarded to John Q. Adams, a firm from the engineer's home town, Redwood City.

According to H. H. Smith, the specifications called for select heart redwood, an expensive material, but were down-graded to construction heart redwood, a cheaper grade, after Adams received the contract for $9617.

A total of 10 firms entered proposals for the job.

The local motelman claimed that other contractors, one from Daly City, would have been able to reduce their bid prices had they figured the job with the cheaper grade lumber.

"WITHIN PROVINCE"

Engineer Smith maintained that "such changes are always within the province of the engineer."

"You mean even after the contract is let?," asked the other Smith.

"This meeting is no time for this," the engineer said. "I'll be glad to submit a report on this matter at the pleasure of the council."

Don Lesher, president of Hillside Improvement association, arose to ask if the public would also receive an adequate explanation. The council assured him he would.

PRICE DIFFERENCE

H. H. Smith declared that there was no considerable difference in the price of the two grades of redwood, estimating the total figure at about $4870.95 on the job in question.

M. J. van Loben Sels, engineer for Ed Smith, told THE RECORD that a check with the California Redwood association and a local dealer showed the differential per 1000 board feet in the two grades of redwood to be between $32 and $40.

Van Loben Sels admitted that original specifications called for select heart redwood, but said that change was made after awarding of contract "to save time delay in delivery of materials."

In changing the specifications to the less expensive grade of redwood, however, there were two conditions made, van Loben Sels said. They were: 1. That no sap wood be supplied; 2. all planks to be structurally sound in opinion of the engineer regardless of the grading.

CREDIT OF $381.17

As a condition of the change, the engineer pointed out, Daly City was given a credit of $381.17, based on a price differential of $18 per thousand on the 21,000 board feet supplied by Adams. He said the difference was only $18 because actually the city was demanding a special grade under the two conditions imposed.

"We'd be pleased to have anybody look at the lumber used," concluded van Loben Sels.

ADOPT RULING TO UNDERGROUND UTILITY LINES

Ordinance which will eventually eliminate all overhead utility lines was adopted by the city council Monday night.

The ruling provides that one year from date of passage it shall be unlawful to have overhead transmission wires.

First step under the new ordinance will be undergrounding of lines on Mission street between Theta and Crocker avenues, to be undertaken by the PG&E at an estimated cost of $90,000.

A representative of the PG&E said Monday night that the utility firm would probably start the project within 60 days after the ordinance goes into effect April 27. Merchants whose buildings front on the project sector will be assessed to help pay for the mammoth job.

In other action Monday night the council:

1. Amended water rate ordinance to provide for higher charge for users outside city limits.
2. Set hearing April 28 on vacating portion of San Pedro road.
3. Called for bids April 25 on installation of a fire alarm system.
4. Introduced ordinance regulating public dances.
5. Set April 25 as time for hearing on abandonment of public street in Westlake Unit No. 7B.
6. Set April 25 as date for hearing on vacation of Albion street.
7. Approved payments of $7379.34 for Westlake Reservoir No. 1, to Hart & Hynding; $2341.51 for Market street to Fay Improvement; and $3334 for Westlake water plant to Kennedy Electric.
8. Passed resolution making Mission Circle two-way street.
9. Granted minimum lot-size variance on Lots 428 and 429, Misison Extension tract.

Youth Pleads Not Guilty To Cypress Gravedigging

Robert Hammersley, 20, alleged gravedigger, played the role of a mysterious stranger when he appeared in Municipal court Tuesday to enter a plea of not guilty and to demand a jury trial. Judge Thomas L. Bocci granted Hammersley's request and set the jury trial for April 19, exactly a month from date of arrest.

While in court the tall, dark youth kept his face shielded from photographers. His answers to the court's questions were given in low cultured tones. Following arraignment, Hammersley sat in the jury box for an hour and a half waiting transportation to the county jail. During this whole period he sat slouched in his chair, with his face still covered.

Hammersley was arrested last week at the request of Colma Police Chief Joseph Ryan and charged with maliciously destroying property not his own, vagrancy, and disturbing the peace. Officers found a crudely-dug grave at Cypress Lawn cemetery, containing a coffin size pine box complete with a quilt and blankets. Hammersley claims he was in Los Angeles when the diggings were supposed to have happened.

San Francisco police arrested Hammersley last October after he allegedly used a coffin as a bed in a Bryant street basement.

Bail has been set at $1000.

Right Man—Wrong Door

Ralph McKenzie, 6444 Mission street, walked through the wrong door when he entered the local police department Friday.

McKenzie, 18, asked help of police in recovering an alleged burglared .22 automatic pistol worth $60 and a diamond ring worth $98.50.

Officer John Van Otten listened politely and then announced that McKenzie was under arrest. Berkeley police had issued a warrant for the youth's arrest.

Berkeley police, called to the scene, escorted McKenzie across the bay and through other police department doors where he was to answer charges of driving with inadequate muffler, with only one license plate and without an operator's license.

Frankfort Residents Petition DC

Thirty-seven residents from the 100 block of Frankfort street entered a petition with the city council Monday night asking that the vacant lots to the east of their homes be planted with ice plant to curb sand damage.

The petitioners said that since 1951 the vacant lots have been source of blowing sand which burns up yards, fills sidewalks and homes with the grit.

City Administrator Dan Andersen said he had informed the owners of the vacant lots that their property was a public nuisance and gave them 30 days to take care of the situation.

Under terms of the letter, if necessary planting isn't carried out by April 25, the city will do the work and place a lien against the property owners for the amount of cost, said Andersen.

Marin Judge Grants Three DC Minors 6-Months Probation

Four 18-year-old boys, three of whom are residents of Daly City, pleaded guilty to a charge of possessing beer and were put on six months probation in a Marin county court Monday.

The Daly City youths, all of Winchester street, are Kenneth Anthony McDonald of No. 159, Tony Delfino of No. 166, and Robert

The article, on Dr. Earl S. Herald, host of "Science In Action," is written by Mona Baker, who, beginning this week, will do a regular television - radio Column for THE RECORD.

Mrs. Baker is well versed in the video field, having written, produced and appeared on several shows. She has also had experience in newspaper and public relations work.

Mrs. Baker lives at 844 Beechwood drive with her husband, Jack, owner of a pharmaceutical manufacturing company, and two sons, Ronny, 7, and Larry, 6.

The weekly column written by Mrs. Baker will include personality sketches similar to this week's article and a run-down on happenings in the radio and video world.

DC Joins SM County In Civil Defense Plan

Daly City Police Chief Roland Petrocchi represented the local police department at a San Mateo County Civil Defense meeting Monday in Belmont. Discussion at the meeting centered about plans for evacuating persons from San Francisco, according to the chief.

The five main escape routes south in case of H-bomb attack are Bayshore highway, El Camino Real, Junipero Serra and Skyline boulevards and the Coast highway.

State Highway Patrol Captain John Kennedy told the police officers that traffic control would have to be exercised at 748 intersections in event of a mass evacuation from San Francisco. The first step in the program will be to recruit personnel to man the intersections.

Petrocchi explained that the plan is tentative until approved by the State Civil Defense headquarters at Sacramento.

As a further step in promoting the Civil Defense program, Officer John Walsh will attend a meeting at San Bruno tonight (Thursday). It was explained that more specific steps in ironing out the evacuation program will be taken at this time and at future meetings.

In line with this local action, the Federal Defense Administration announced this week that it will hold a nation-wide civil defense test June 15-17. The test will include surprise simulated attacks on seven cities, possibly including San Francisco. If so, the San Mateo county plan will receive its first test trial at this time.

Also in line with local preparations for civil defense is the decision of the City Council Monday night to ask for bids for a fire alarm system. If the system is installed by May 15, Daly City will be eligible for alarm horns, according to City Administrator Dan Andersen.

The city will be required to pay only 25 per cent of the cost of the horns, while 50 per cent will be paid by the federal government and 25 per cent by the state, Andersen told the council.

SICK HOGS MOVE TODAY FROM NEW WESTMOOR SITE

Quarantined hogs, which have been holding up construction of the new Westmoor High school here, will be moved today, according to School Superintendent Stanford Hannah.

Sickness developed among the hogs early this year just before they were scheduled to be moved from the Consolidated Hog Company Ranch barns now occupying the site. The State Health Department placed the quarantine and refused to allow the animals to be transported until the quarantine was lifted.

Before clearing work begins for the $2,500,000 school, still another animal problem must be undertaken. Rats have been discovered in the building, according to Hannah, and a poisoning program will be undertaken tomorrow (Friday) before the barns can be torn down. The rats will be poisoned before the burning begins in order to avoid scattering them over the countryside, Hannah explained.

Burning of the buildings will probably be done next week, but actual construction work may not begin for several months when plans are returned from the State Department of Architecture, according to the superintendent.

Close Hearings On Pair Of Annexations

Hearings on two annexations were closed by the city council Monday night.

One member of the audience protested the annexation of a six-block area in Abbey Homestead, proposed by Ricco Lagomarsino.

Louis Caserza, property owner in the area affected, said that "my father's protest entered earlier still stands."

Caserza inquired as to the fate of various police, fire and lighting districts now in effect upon annexation by Daly City. According to City Attorney Frank Blum "this would be worked out" so that property owners in the newly annexed area would not have to duplicate taxes for services.

Annexation of four lots at Valley and Third avenue, petitioned for by Thomas Callan Jr., received no written or oral protests.

U. S. Senator Will Stump For Jenkins As Assemblyman

United States Senator Warren Magnuson of Washington State will come to San Mateo county on Wednesday night, April 13, to speak on behalf of Thomas M. Jenkins of Broadmoor, Democratic convention-endorsed candidate for the 25th Assembly district, Frank Rose announced today.

Senator Magnuson will appear at a $7.50 per plate dinner at Bob's on Broadway in Burlingame jointly sponsored by the San Mateo County Democratic Central Committee and the County Council of 17 Democratic clubs. Rose, a San Mateo attorney, is dinner chairman.

The dinner is designed to raise

By MONTE DAYTON

A newsgent from one of the county papers, BARNEY GLICK, dropped in at the Daly City police station last week to check the blotter.

In leaving, he forgot his gloves.

An officer spotted them on the counter, decided to pick them up later and notify Barney.

The newsman called in Monday to inquire about his gloves. No gottum. They were stolen from the police station over the weekend.

SAM PEEPLES, incumbent Broadmoor police commissioner up for election Monday, April 4, got some dandy cards printed up telling the people to get out and vote for him.

If every person that got a card took it for gospel, Sam wouldn't get a vote.

It said to vote for him April 5, exactly one day late.

If the greenskeepers strike doesn't wind up, sponsors of the DAN ANDERSEN testimonial dinner Thursday at Lake Merced Golf club will be in a last-minute dither to find a substitute eatery.

DC Kids Hunt 4000 Eggs

Daly City children, who will be enjoying Easter vacation next week, are invited to participate in the Recreation department's Eighth Annual Easter Egg hunt next Thursday, according to Director James Mason.

Hunts are scheduled in the Westlake, Marchbanks, Gambetta and Frankfort areas. Four thousand eggs, many of them marked with the word "prize," will be hidden in the different areas.

The complete schedule of times, locations and ages is as follows: children 1 to 3 (accompanied by parents) and 4 to 6 years, 11 a.m. at Marchbanks (middle level), Westlake school, Westlake (behind plaza), and Frankfort park.

Children 7 to 10 and 10 and over, 1 p.m. at Marchbanks park, Westlake (behind plaza), Frankfort hill, and Gambetta street hill.

Mason requests that all children arrive before the appointed time for the hunts. In the event of rain the hunts will be held on Saturday, April 9, at the same times as printed above.

To Retain No. 76 Route At Least Thirty Days

No immediate change was visible today in the local transportation picture.

Jack Kendree, representative of Henry Doelger, Builder, who is underwriting municipal railway losses here until July 1, "if necessary," said today that a tentative new trial route, announced in last week's RECORD, would not be put into effect. Present service will continue for at least another 30 days until necessary red tape is ironed out.

The problem also came up before Monday night's council meeting Frank Vorsatz of Westlake stood up before the council and asked about Bus No. 76. He said that he had heard service would be discontinued from Westlake to the

service institution for today.

Out in Westlake the homes are selling so fast that HENRY DOELGER can't keep up with the demand.

Now they even have to put "Sold" signs on the bare foundations.

FRANK BLUM, city attorney, and RAY SAVAGE, Broadmoor police chief, are looking daggers.

Blum represented in court a man charged with drunk driving in Broadmoor and got him off scott free.

The council, much to its collective embarassment, found out Monday night that it has been doing the American Flag a high injustice.

A member of the audience arose to point out that protocol requires the flag always be to the right of the presiding officer.

It's been on the left side as long as we can remember.

Daly City's new Toastmasters club gathered for the first time last Thursday at The Colonial.

Everything went along in applepie order except that the halfdozen SF Toastmaster officials who were supposed to brief the local neophytes on what to do got the wrong address and failed to show.

ABE RABINOWITCH, who recently threatened to recall the city council, was indirectly the subject of more headlines last week.

Rabinowitch, a process server, presented General Motors Chief HARLOW H. CURTICE with a subpoena last week ordering the visiting Curtice to give a deposition in Oakland on Monday in connection with an employee's suit for $209.80 against the five-million dollar corporation.

Rabinowitch served the subpoena during a cocktail party for Curtice and 8000 guests.

Abe was delighted about the whole affair. "Mr. Curtice called me 'My boy'," he said proudly.

funds for Jenkins' campaign. A court suit to force Governor Knight to call a special election in the 25th district is still pending. The assembly seat has been vacant since the January resignation of Daniel Creedon.

Jenkins, an attorney and resident of 1148 Nimitz drive, Broadmoor, was endorsed at a Democratic convention held at South San Francisco High school on February 12.

Tickets to the 6:30 p.m. dinner can be obtained from any member of the county central committee, Democratic clubs or from the dinner committee which includes William Penaluna of San Mateo, Frank Groves of Redwood City and Edward Drotleff of Belmont.

top of the hill (Mission street) and would stop at Junipero Serra boulevard instead.

"Need Service"

"I have kids and need service to the top of the hill," he explained.

Vorsatz asked the council to consider the problem since he had heard that the Doelger subsidy would stop soon.

City Administrator Dan Andersen stated that the transportation problem is vital to the council.

"The Doelger subsidy of $600 a month will hold until legislation is adopted in Sacramento allowing sixth class cities to subsidize losses by public transportation firms," he added. Andersen has been in Sacramento recently to lobby for passage of the bill.

Committee Of The Whole

Voting to meet as a committee of the whole at Councilman Micheal DeBernardi's suggestion, the council again withheld decision on the subsidy issue. The date of the committee of the whole meeting is indefinite.

Letters from the Chamber of Commerce and from the Westlake Improvement Association urging the adoption of the "Verducci Plan" were read at the meeting. The so-called "Verducci Plan" urges retention of the muni service by subsidy.

Upon hearing the letter, DeBernardi claimed, "These letters have no bearing on the number one problem. At an informal vote two weeks ago three of us went on record and two have reached no decision."

Three-Way Split

Up to now the council has split into three factions on the transportation issue, with Councilmen DeBernardi and Del Wilson favoring the bringing in of private carriers, Mayor Joseph Verducci urging retention of muni service by subsidy and Ed Dennis and Sanford Vickers withholding decision until further study.

"Are the two councilmen ready to vote?" asked De Bernardi.

Vickers said that he would first like to compile a full report. "I must know the cost and how people feel about the subsidy," he added. He said he would need another three days.

In answer to De Bernardi's above statement that "these letters have no bearing on the number one problem," Verducci retorted, "the letters do have a bearing. They represent 12,000 Westlake people and Daly City businessmen."

Clayton Kollmann Is Named Dean Of Boys At Westmoor School

Clayton Kollmann, presently serving as attendance superintendent of Jefferson high school, was appointed dean of boys for the new Westmoor School Monday night at the regular board meeting.

School Superintendent Stanford Hannah explained that the appointment will take effect the second semester of next year. Kollmann is a past graduate of Jefferson High school and San Francisco State college. He has been with the local school for three years and previously taught at Pt. Orina.

One Files For Jeff High Board, Six For Elementary Board

One application for the Jefferson High school, and six applications for the Elementary board have been filed to date.

Elio Fontana (incumbent) is the only local resident who has filed for the two-man vacancy on the Jefferson High School district board of trustees as of today. The deadline for filing is on April 20. Fontana lives at 102 Alder avenue in Colma.

Six persons have thus far filed for the two-man vacancy on the Jefferson Elementary School district board of trustees. The following, all recommended by the League for Better Schools, have filed to date:

Henry Kraus, 1742 Louvaine drive (incumbent); Hartley R. Appleton, 1 El Portal Way; Dr. Guido deGhetaldi Jr., 316 Northgate; Grant Holman, 793 Foothill, Broadmoor; Mrs. Lucille Moses, 177 Westlawn; and Irvin W. Silberstein, 157 Wilshire.

Elections for both boards will be held on May 20.

HILLSIDE GROUP PLANS MEETING

The Hillside Homeowners Improvement association will hold its monthly meeting next Thursday at 8:15 p.m. in the New Colma school, located at Market street and Hillside boulevard. It was decided recently that all meetings will be held on the seventh day of each month.

Installation ceremonies were held recently for incoming President W. Don Lesher. Outgoing President John Harness received his Past President's pin on this occasion. The association is open to all residents of eastern Daly City, and interested persons are invited to attend the above meeting.

POLICE ARREST, CHARGE 5 BOYS WITH DC CRIMES

Five local boys are now in the custody of juvenile authorities after having admitted to at least two recent burglaries, four or five car thefts and 15 car boosts, all in Daly City.

Officer Bruno Conci and Inspector Dave Johnstone rounded up the youths this week after receiving a tip on one of the car thefts. The ringleader of the gang is 14, two of the other boys are also 14, one is 13, and the last 15.

Members of the gang have admitted burglarizing Harry's Market on Mission street, a burned house on E. Vista avenue and the home of John Martin, 751 Hillside boulevard.

OK PERMANANCY OF SIX CITY EMPLOYEES

Permanent appointments for six city employees were approved Monday by the council.

Police officers Richard Phillips and Charles Terry were declared to have successfully completed their one-year probationary period and received permanent status effective today.

Firemen K. Schrock, H. Cross, E. Cooke and C. Marshall were named permanent retroactive to February 16, having successfully completed one year probationary period on that date.

THAT THE SAME MAY HAPPEN HERE

As the arrival of City Manager Howard Stites approaches, some citizens may feel apprehensive about the workability of this new form of government.

To give our readers insight as to the ability of this new official, we are herewith re-printing an editorial that ran March 14 in the Redding "Record-Searchlight" under the title, "City Makes Progress:"

"When Howard I. Stites came to Redding 2½ years ago to become city manager, he inherited a stack of problems and an empty city treasury. City budgets up to that time were meaningless; record-keeping was so far behind that no one knew where the city stood financially; purchasing was catch-as-catch-can; inventories didn't match with records. Problems, if they were met at all, were met on a day-to-day basis, without long-range planning.

"Not all of Redding's problems have been solved in 2½ years, but a good start has been made, and Stites has organized the framework for sound municipal government. Reviewing the changes that have taken place, one finds that Stites has made a major contribution to the city's progress. Many of the things he's done are things with "delayed benefits"—things that will save money in the future or avoid costly future mistakes because he has thought ahead.

"Take sewers, for instance. One of the first things Stites found on coming here was something few residents realized: that the sewer system not only was too small, but that cracks and other faults were letting too much rain water get into the sewer system. Rather than just patch here and there, with temporary improvements that would have to be done over a few years later, he surveyed the whole system and developed a master sewer plan. This not only provides lines to handle the increased sewage in the older parts of Redding, but makes provision for handling sewage from sewer subdivisions which now depend upon septic tanks—and from other subdivisions which may come along later.

"This has provided the council with an estimate of the problem and a means and schedule for solving it. It makes it possible for an area (Benton tract, for instance) to plan a sewer district, which would be useless until the city had plans for a main line from that area to the city's treatment plant.

"One of the biggest achievements has been in accounting, record-keeping and buying. Now, when a purchase order is issued, it is charged against the proper fund, so that it is impossible to overdraw an account without specific authorization. This means that a budget once meaningless, now is a definite plan of work to be done during the year. Along with this there is inventory control, so that supplies and parts don't go out without a record of where they were used. Quantity buying instead of purchase in small lots, plus discounts for prompt payment, have saved thousands of dollars, but in a non-spectacular way.

"Stites has worked out, with council approval, a long-range program of street improvement which makes it possible for property owners in any neighborhood to get low-cost street construction, with the city contributing a part of the cost. Plans call for four miles of new pavement and resurfacing of four miles of existing pavement each year, so that eventually all streets will be of good quality, requiring only ordinary maintenance.

"These things took know-how. They also took patience, since critics are seldom willing to wait to see the results of a long-range program."

DROP IN AND JUDGE FOR YOURSELF

Daly City-Colma Lions third annual Youth Art Exhibit is now being shown at the community center.

Consisting of entries from hundreds of students from the local elementary and high school systems, the exhibit provides a panoramic look at the work being done by the schools and the children.

But more important than the audience aspect is the participation of the youngsters. Youth throughout the community are given a chance to develop their creative ability and have these creative works displayed for public approval or criticism.

The local Lions have developed an annual project that well deserves the acclaim given it through their national magazine and other media.

The Youth Art Exhibit also wins our vote. Drop in anytime between now and Sunday and judge for yourself.

THREE DALY CITY MEN HOME AFTER USS GRADY CRUISE

Home today from two weeks aboard the Navy destroyer escort USS Grady were Lt. John Apostol, USNR, 31 Weston drive; Dallas J. Keene, chief teleman, 98 Vista Grande avenue; and James L. Ryan, hospitalman seaman, 297 South Mayfair avenue.

The three Daly City "civilian sailors" were among 86 reservists who traveled on the Grady to the Hawaiian Islands.

The reservists were given training in all phases of shipboard life including participation in drills, such as collision at sea, man overboard, battle stations, and abandon ship.

Liberty in Honolulu was enjoyed during the weekend of March 11 to 13.

The ship returned to Treasure Island March 19.

Pvt. Lyle Robison Is Stationed In Hawaii

25TH DIV., HAWAII—Pvt. Lyle J. Robison, 22, whose wife, Lee, lives at 6988 Mission street, Daly City, is now a member of the 25th Infantry Division in Hawaii.

The "Tropic Lightning" division is continuing its post-truce training program using valuable experience gained in Korea.

Private Robison, son of Mr. and Mrs. Lind A. Robison, Route 1, Thornton, Idaho, entered the Army last September and completed basic training at Fort Ord, Calif. A member of Kappa Sigma fraternity, he attended Utah State College, Logan.

Daly City Resident Genial Host Of Popular Television Program

By Mona Baker

In a spacious office . . . a desk piled high but neatly with reports, research notes, clippings, photos, scientific papers . . . we found our television personality of the week, Dr. Earl S. Herald of Daly City, genial host of the California Academy of Sciences' award-ladened show, "Science in Action" (KRON, Monday, 7 p.m.). Skillfully produced by Benjamin Draper of the academy's staff, the program has consistently been one of the most popular in this area.

A man of many interests and talents, Dr. Herald related his experiences a few weeks ago when he flew to New York with a live 40-pound octopus in tow to appear on the "Home' show (KRON, Monday through Friday, 11 a.m.) The expedition was featured in many leading national publications because it was the first time that such a difficult project had been attempted.

It also gave many viewers their first peek at a hefty-sized octopus.

A Busy Doctor

The busy doctor, with a full-time job as curator of aquatic biology at the Academy's internationally famous Steinhart Aquarium, a trustee of the George Vanderbilt Foundation at Stanford University, and a "spare time" job as host on the television program, he also finds time to serve as secretary of the San Francisco Zoological society. Graduated from the octopus, Dr. Herald said one of his current projects is helping to secure a baby rhino for the San Francisco Zoo. In fact they have the rhino, but he is in Africa and the problem is to get him here. (Since the problem is a matter of about $3000 your columnist suggested a possible contest in which children would submit a name for the baby rhino and enclose a dime to help bring him here.)

From the comfortable study, Dr. Herald escorted us upstairs to the famous Steinhart Aquarium . . . a living world of bright colored tropical fish . . . the fascinating lung fish . . . an 80 pound octopus . . . among other fish too numerous to mention. With his thorough knowledge of ichthyology, we could easily have spent many hour listening to Dr. Herald talk in his informal friendly manner that characterizes his "Science in Action" program.

Ichthyologist

Born in Phoenix, Arizona, April 10, 1914, Dr. Herald received his Bachelor of Arts degree at the University of California, Los Angeles, in 1937, his MA at the University of California at Berkeley and his doctorate at Stanford university in 1943. He served as staff ichthyologist on the George Vanderbilt expedition of 1951 and has also conducted tuna research in the Philippines, Indonesia and adjacent seas. He is now one of the country's best-known young ichthyologists.

Dr. Herald, who with his wife, Oliva, lives in the Olympic section of Westlake, has a family of three children. With his many important tasks, he still takes time to participate in affairs of our community. He is a member of the Golden West YMCA at Stonestown, and has recently become with his little son, Bruce, a member of the "Y" Indian Guide program of the YMCA.

He is enthusiastic about the "Science in Action" program and television. Says Dr. Herald, "television gave me an opportunity to demonstrate science to more people in a single evening than are able to come to the Aquarium in the course of an entire year."

RECORDS IN THE PAST

FIVE YEARS AGO IN THE RECORD

If you have a yen for crossword puzzles, you'll have to check the February 2 edition, 1950. However, if you can't think of the symbol for Ruthenium, don't bother.

In the same issue Elsie M. Garrison inauguarated a Garden column with all the news of garden clubs, spading-around-type of items..

"Farewell to Arms" with GARY COOPER and HELEN HAYES was revived for the nth time to play at a local theater. The companion feature was the ever-popular "Hatchet Man" starring EDDIE ROBINSON and LORETTA YOUNG.

Long spaghetti was selling for 2 lbs. for 35c. Or if you didn't want to live dangerously, there was the 12 oz. package of eggs noodles for 21c.

FIFTEEN YEARS AGO

January 31—Biggest news of the day was the Golden Gate International Exposition on May 25 at Treasure Island. Former editor-publisher A. H. Boynton took note of international events by noting Kaiser Wilhelm II celebrating his 81st birthday.

February 7—THE RECORD carried a photograph of Arturo Godoy of Chile shadow-boxing Joe Louis (replica) in preparation of the world heavyweight title bout at Madison Square.

A few days later KAY KYSER and ADOLPHE MENJOU appeared in "That's Right, You're Wrong" at the Daly City Theater. The companion feature was "Ninotchka" with GRETA GARBO and MELVYN DOUGLAS.

TWENTY FIVE YEARS AGO

Actress Joicey Williams disclosed the secret of how to darken grey hair. Just mix ½ pint of water with 1 ounce of bay rum, small box of Barbo compound and ¼ ounce of glycerine. Look 20 years younger! Pass the baby bottle, Paw, she's teethin' agin.

Back in the "good old days" Eddie Avershow was going strong. Come to the stage party, fun and surprises for all! If you stayed for the picture JEANNE EAGLES starred in "Jealousy."

Not the dramatic type? Warner Bros. big Vitaphone Whoopee show was on the screen the next day. TEXAS GUINAN in "Queen of the Nite Clubs."

A news flash from Shanghai reported that Chinese pirates had killed 40 passengers on a British steamer. They were captured and executed the next day.

LETTERS TO THE EDITOR

Local GI Likes To Hear From Classmates

Dear Sir:

I'm really fouling you up with my change of address situation, but I think I'm finally located permanently. I'm just a mile or two north of Washington, D.C., at an anti-aircraft battery, attached to a mobile repair team for the radar-controlled guns. I'm being groomed to take over a new phase of some of the latest developments.

Last time I wrote you, I was just about to start the advance course (Telephone and Teletype Equipment Repair) of the Teletype Equipment Maintenance course. I have completed the 15 week course with an excellent rating, and finished in the upper portion of the class. Then I was sent to Ft. Mead, and re-assigned to this outpost as part of the radar team. I hope to get a lot of sight-seeing done here and see the capitol and all.

I expect to see my brother, Dick, out here soon. He's taking basic at Ft. Ord and expects to be sent to Ft. Belvoir, Va., which is about 40 miles from here.

I'd sure like to hear from my old classmates from "Jeff." I guess they are all married off by now. I must be about the last single one around. Thanks very much for forwarding The Record, when I changed addresses. It's good to read about the home town.

Sincerely,
Bill Evans

School Trustee Asks Attendance At Meetings

Dear Sir:

Rumors, propaganda, mountains from mole hills, that is all we hear. The people elected me as trustee of Jefferson Elementary School district because they didn't want to attend meetings to voice their own grievances. So, they will stop me on the street and say, "Mr. Lewkowitz, why did the trustees let the contractors start building just before school opened? Why did they haul all the dirt away? Why did they buy that property? Why did they hire so many teachers? Why did they spend so much money on this or that project? Why, why, why?"

Everyone can get first hand information by attending the school trustee meetings on the last Wednesday of the month. Everyone has the right to ask questions or object to anything that is happening. The meetings are held at the Woodrow Wilson school administration building located on Santa Barbara avenue between Vista Grande and Knowles avenue.

Trustee Joseph Lewkowitz

My Mad World

By Leonore Brewer

There's a lot of activity and excitement on the Geary Theatre's stage these days, where Jose Greco 's presenting his troupe of Spanish dancers in a two-week engagement, closing Sunday, April 3. Even the audience gets into the act, principally at the appearances of Teresa Maya, whose vital presence is greeted by shouted comments, the meaning of which is lost to the non-Spanish speaking members of the audience (among whom this writer is numbered). However, the language barrier is not important. The sultry Senorita Maya is obviously having such a wonderful time performing some of the traditional gypsy dances that she communicates this joy of living to her audience.

There are 17 numbers so it's impossible to go into much detail about any, particularly since they are danced or sung or played by a company composed of individuals rather than the too prevalent setup where you have one star surrounded by a miscellaneous assortment of performers just to fill up the stage.

Happy Combination

The entire production is beautifully costumed and is a happy combination of the new and the best of last year's offerings. "Danza Castellana" is just as delightful at second viewing as it was last year. It gives El Greco a chance to exhibit an impish humor not too often seen in his dancing which leans toward intense emotional effects. When he does smile it has such a startling brilliance that he seems a completely different person. Whether dancing a demanding Zapateodo or frolicking through the above mentioned number, Greco is quite the most elegant male animal we have seen in quite some time.

"Old Madrid—1890" for some obscure reason reminded us of "Le Beau Danube." Although it had many amusing moments, the overall effect was rather disappointing. In "Barria de Santa Cruz" Jose Mancilla and Margarita Zurita made their first appearance of the evening. Their subtitle, "The Bronze Gypsies," smacks of vaudeville and has not too appetizing a flavor, but their dancing has distinction and the flamenco singing of Mancilla has a passionate ring that sends cold shivers down the spine.

Peculiar Wail

We remembered Chinin de Triana's flamenco singing from last year. The peculiar wail of this singing style appeals to us and once again we felt that he didn't appear often enough. We would also have been very happy had there been two sets of guitar variations. The only solution for this problem is for the company to present two completely different programs during their local appearance.

Behind the bamboo curtain at the Curran Theatre is "The Teahouse of the August Moon." We had extremely good intentions of doing a column on it, but it is now so late that that particular intention will just have to become another cobblestone on the well known road that leads you nowhere. However, we might just as well make use of one of the program notes we made:

Prominately displayed in Col. Purdy's office in Okinawa is a sign reading, THINK. Looks as though the IBM slogan has nosed out the Los Angeles city limits sign as a source of innocent merriment in unexpected places.

Jeff Elementary Accepts Low Bid On New School Bus

The Board of Trustees of Jefferson Elementary school district have approved the purchase of a new school bus from Gillig Brothers, Hayward, who entered the low bid of $13,950 plus tax. The new 79-passenger bus is equipped with a 184 horsepower motor.

The new addition brings the total number of Jefferson Elementary school buses to a total of five. The changeover to regular sessions demanded the purchase of the bus, as it is now necessary for all children to have the same departure and arrival times.

Director of Education Fred Schweickhardt's post has been announced vacant by Superintendent H. Z. Weibel at a meeting of the administrative group Monday morning. Just what Mr. Schweickhardt's position will now be has not been announced, however he is a specialist in child guidance.

News From Here & There

By Eleanor Doyle

HI FOLKS!

May I come in and visit with you again? . . . There's just loads of news to tell you. I'm gradually hearing from more of you so keep calling PL. 5-5419. So shall we get started on the local chatter?

Happy birthday to ROBERT RECTOR of 331 Woodrow who will celebrate his birthday April 5, with a picnic at the zoo for a group of his young friends. Have fun!

BROWNIE TROOP 154 are busy planning a trip to the Planetarium April 7. This is the troop's second trip and they enjoy it more each time. The girls in the troop are: Linda Offenbach, Kara Thomas, Marilyn Brown, Tibbie Price, Judy Anderson, Sharon Carr, Maureen Jolly, Carol Bernadini and Joann Doyle. Mrs. Melda Brown is the leader of this troop and I'd like to add that she is doing a wonderful job.

Another busy mother taking a dressmaking course is MRS. MILDRED RADZIKOWSKI of 137 Abbott avenue. She is taking her course at Singer Shop downtown. I know you'll enjoy the hours you spend there.

Away for the weekend were the DON LESHERS of 472 Castle street, visiting their many friends in Santa Rosa where they once lived.

Our deepest sympathy to the MOLANARI family of 128 Vale street upon the death of their beloved husband and father March 19. He will be missed by everyone.

Convalesing at home is MRS. HARRY BONELLA of 50 Abbott avenue. Hope you'll soon be up and around. A speedy recovery from all of us.

Another belated birthday wish to MRS. BETTY CRABB of 135 Station street who celebrated her birthday March 25. Best wishes from all of us.

A YLI BANQUET was held March 22 at the Holy Angels parish house. They entertained the YLI from San Bruno. All the girls helped in the preparing of the food and I hear that Mrs. Gaggero's enchiladas were delicious.

The Thursday before Easter there will be a free will offering dinner at the Vista Grande Christian church, April 7. Followed by a program after dinner of The Last Supper.

Private WILLIAM CHALMERS who is stationed in Alaska writes his wife Gloria that Alaska is a beautiful spot. Lots of good hunting and fishing. Misses his family very much. Hope you'll be home soon, Bill. His family resides at 150 Crocker.

Mrs. Robert Young of 114 Valley street who recently was in the hospital is up and around, says she feels better each day. Is still under the DR.'s care, so hurry and get well from all of us.

JOHN A. FORDE III is the name selected for the son of JOHN A. FORDE Jr. staying at 1136 Hanover with the senior Fordes. I bet they're proud of their grandson.

Little SUSAN COLEMAN of 121 Hillside boulevard who recently decided that aspirins were much better to eat that candy has decided to switch back to candy again. Having her stomach pumped was no fun.

The GINO MARCHETTI'S of 62 W. Moltke want to thank everyone for voting for their daughter, who appeared on BUDDA'S AMATEUR HOUR. MARY JEAN has been quite busy singing here and there for various groups. Good luck Mary Jean.

Belated Anniversary Wishes to the LYLE KNOX'S of Parma street who celebrated their eleventh year of marriage bliss by having dinner at the Chuck Wagon. Our best wishes to both of you.

Our condolence to MRS. JEAN HATHYWAY of 166 Wyandotte whose father passed away a few weeks ago. Our deepest sympathy to you in your loss.

Marine PFC. JAMES MINOR who has been in Korea eight months, writes his family that he hopes to start back to the States about April 1. His parents live at 114 Los Olivos.

Belated wishes to LEONA FELLMAN of 148 Peoria, who celebrated her twenty-second birthday March 12. Better late than never.

The HOMEMAKERS LUNCH was held by the VFW No. 9921 Thursday, March 17. It was held in the Broadmoor community center. Approximately 75 attended. The chairmen were Hazel Eagleton and Stella Magoon. Everyone had a lovely time.

Poor BILLY VAN AKEN of 178 Abbott avenue will never try to pet a stray dog again. He was bitten by a dog while outdoors playing. It's too bad people allow their pets to run the street when they are just the least bit vicious.

The RICHARD KLINES of 271 Abbott avenue are busy entertaining his mother who arrived here last weekend from London, England. She has traveled all over Europe and it's quite interesting to talk to her about the different places. Hope she likes our city.

Seen having lunch at the Cas 'n Ray were Mesdames G. Bertucci, M. Nofziger, A. Castle and J. Doyle. They sure get around.

Glad to hear that the EDNA HYERS ADVANCE CONCERT was a huge success. There was some outstanding talent to be seen and heard. Approximately 100 attended this wonderful affair.

The GIRL SCOUTS in Troop 66 held their Investiture Ceremony March 22. The following girls were invested: Diane Graves, Lynn Comer, Joan Sontag, Judy Willoughby, Caroline Cameron, Barbara Dirichson, Dona Lesher, Carole Navarra and Neoma Quale. Mrs. Andrew Castle is the leader, with Mrs. Don Lesher as her co-leader. Almost all the parents attended the ceremony. It's certainly nice to hear that the parents are interested.

The ADULT PIANO CLASS surprised two of their members with gifts in honor of their birthdays March 23. The girls were Dorothy Carr of 376 Winchester and Betty Klepfer of 322 Hillside boulevard. They sound like a group of nice people.

Congratulations to MR. and MRS. WILLIAM of 57 Gambetta who celebrated their twenty-fifth anniversary March 21. Best wishes from all of us.

LT. HARRY RIGGAR will be in Astoria, Oregon, awaiting further orders, while his ship, the U.S.S. RYER, is being de-commissioned. His wife who lives at 92 W. Cavour just returned back from visiting him. He has spent 13 months in Guam.

Glad to hear that IRENE TAYLOR of Hillside boulevard is back to school after a bad fall while at school during recess time. Her parents wish to thank the police department and the ambulance department for their prompt service.

Our congratulations to DEBBIE HYERS of, 57 Gambetta who has been selected as the BACCUS QUEEN at the grape festival to be held in the city at the City Hall. Christine Arrighi of 39 E. Cavour will be her crown bearer. We're all very proud of you both.

Our best wishes to VIRGINIA KLEFPER of 322 Hillside boulevard who is being married today to Jack Ballenger of 167 Arch street. The wedding will take place at the First Christian church. Lots of luck to both of you.

Over the weekend the RIGGAR family entertained Bob Sykes from Treasure Island who's awaiting orders to go aboard the Ajax.

Another young lass who celebrated her birthday in March was Starilyn Ruiz of 295 Wyandotte. All her many friends helped her to celebrate her eighth birthday. Belated wishes, Star, from all of us.

New BROWNIES that were invested in Troop 140 were Sandra Eschler, Marilyn Moore, Paula Jones, Peggy and Judy Ependendio. There are 17 girls in the troop. Sure is a big troop.

Congratulations to Sgt. Robert Meir who is in Munich, Germany, and was top in his class to complete a five week training course. I think we should all be very proud of him. He is the son of the Senior Meirs of 265 Los Banos.

The Presbyterian church FUN NIGHT will be April 1. Hot dogs and hamburgers and fun for all. Public is cordially invited to attend.

MRS. BERNICE CUNNINGHAM of 188 E. Vista gave a tea March 24 in honor of MRS. ANNA LOBEL who is moving to Hayward. The following mesdames attended: Betty Simonsen, Cleo Davies, Helen Petersen, Frances Watts, Marian Plansky, Lillian Klassen, Connie La Bruzzo, Dorothy Waldvogel, Audrey Joyce, Theresa Vasnaugh, Enid Williams, Julia Tydingeo, Georgine Cosmos and Rosella Melton. I know that Anne will be missed by her many friends and neighbors, so

Argus Of Colma School

THE UPS AND DOWNS OF IT—Room 24—Mr. Russell Jones' class, is continuing their close watch of the stock market. With their $2000 abstract money now invested in their choice of stock they have made a graph to indicate the rise and fall of same during the period of holding. March 30 marked the end of this speculation and we shall see who the true investor is in the class. There has been a great fluctuation as of late.

YEARBOOK ART—Art is being contributed for the yearbook by Mrs. Gloria Shaffer's art class. They are correlating their art to each particular phase such as the mask of tragedy and comedy for dramatics, the proverbial football for sports and many other original ideas. We feel it certainly will make this keepsake that much more effective.

Business Manager Sharon Durbin and Assistant Business Manager Marilyn Garris have a busy schedule ahead of them for they have to start collecting the money for the yearbooks. They will have to handle about $1050 which is a great deal of money and responsibility for them to handle.

BOY BECOMES A MAN—Michael M. Zelver, better known as "Micky" to his classmates at Colma school, became a man recently. Michael didn't just suddenly grow up over night. But he did become a man in the Jewish Religious Ceremony, Bar Mitzvah. The celebration took place at Westlake's temporary temple.

DID YOU KNOW?—Did you know that on page 1085 in the "C" volume of the World Book Encyclopedia it states that Colma has a population of 2,490. Of course the population of Colma has grown quite a little bit more, since that figure was published in 1946. But encyclopedias can't be printed every year, nor can schools be expected to bear the expense of buying them so frequently. Colma school, however, does it best to keep its reference material up-to-date and has obtained six new sets of encyclopedias. They went to the rooms of Mr. Russell Jones, Miss Doris Duecker, Mrs. Marian Truscelli, Mrs. Thomas Chapman, Mrs. Marjorie Ross and Mr. Kenneth Warren.

A few weeks ago the "Argus of Colma School" had an article about a girl who went on a snow trip and came back with no broken bones. A few weeks ago another girl, Laurel Klaisner, went on a ski trip. But she wasn't as lucky. She was traveling speedily down the hill on a toboggan and hit a tree. The victime escaped with a broken nose and minor bruises. When asked how it felt she said, "I didn't know what hit me."

HOW TO HANDLE A TEACHER—Mr. Thomas Scholten's class gave him a surprise party recently. Why? You ask why? The answer is very simple. "It's the only way we have to get a social dance," say his students. Caught you on that one, Thomas.

EPIDEMIC SWEEPS COLMA SCHOOL. School Psychologist summoned!

A strange malady is sweeping Colma school, and of late, has crescendoed into proportions of an epidemic. Everywhere one may look, pupils will be found chewing in all degrees of emphasis and skill, upon the product made famous by Wrigley and his imitators. Apparently this disease is highly contagious for even some of the most staid members of our teaching personnel are succumbing to its insidious effects. "Didja ever see a teacher blow a bubble and pop it, huh?" WELL, ARGUS HAS!

There are many, many types of gum masticaters, among the most noxious of which are those who grind with all the grace and abandon of a cow chomping on her cud. A more subtle type is the artist, who at will can present one side of his countenance immobile (teacher's side) while vociforously manipulating the other, to the apparent tempo of Alexanders Rag Time Band. We have the morose, reflective kind as well as the apathetic ones. Especially infuriating are those who snap their gum at their teachers. There are some who play with their gum, like rolling it in their hands, and putting it back into their mouths again. Others use the underside of their seats for storage purposes and one stick of gum may get a good going over as many as five or six times during a school day. They say there are those who are capable, in this way, of making a single stick last for weeks. A few of the militaristically inclined have found that gum balls are excellent artillary missiles, and that the supply is never ending. All this is very sanitary and spiritually uplifting. It has gotten so that one does not know just where to tread or sit with impunity.

Now just what is or are the reasons for this pernicious habit? A few students were queried and their replies were provocative. The Infant Terrible sez, "I chew gum becuz it gets my teachers sore!" Kathy Malloy crunches gum so she wont feel lonesome. Dennis Parsons claims, "When my brain is over-taxed, which in Mr. Ed Edwards class is frequent, I obtain solace through a delicious piece of Juicy Fruit." Lorraine Fagan believes homework upsets the pupils emotionally and that gum chewing offers the best relief from this nervous tension.

Since the epidemic has shown no promise of abating, Dr. Pauline Thompson, the school psychologist, was called. "Hummmm, very interesting!" was her sage opinion. "I must pursue this problem further!"

So beware you gum chompers for you may be one of those picked at random to act as a human guinea pig sampling for Dr. Thompson's latest research project intended to unearth the covert compulsions which drive Colma school youth to this extremity, and to learn just what effect it actually has upon their physical, mental and moral well-being. Dr. Thompson fears the possibility of mental blocks ensuing from over-ardorous and continuous dedication to this practice.—By Carolyn Kesler.

HURRY! HURY! Did you know there was a photography contest going on? There are two weeks left in this contest. Wouldn't you like to win? First prize—$5; second prize—$4; third prize—$3; fourth prize—$2.

If you should win you should have the negative as proof that you actually took the picture.

MUSICAL WONDER . . . . Janet LePine on Tuesday, March 22, took a music examination at the Conservatory of Music in San Francisco and passed highest of any competing for the day. This means she received a certificate of merit and is promoted to the next highest grade. Janet has been studying at the Conservatory for a year and hopes to continue her music.

SALVAGE STATISTICS . . . Miss Doris Dietterle, sixth grade instructor, had the honor of telling her class they had won the prize of $20 by bringing in 65 bags. The Colma section collected a total of 319 bags and the Elementary section 370 bags.

STUDENT IN ACCIDENT . . . Carole Turney, secretary of Colma's Student Body, had a tragic accident during a weekend. While horseback riding the horse shied and Carole was thrown from the horse and dragged until she was able to break loose. A friend observed the mishap and rushed to help her. Carole had lost conciousness and was taken to her doctor; she had a concussion and a few bruises on her arms. We hope she will get well and be able to return to school soon.

WHAT ARE YOU DOING DURING EASTER VACATION?

Tom Homer—Just loaf.
Eugene Vankoll—Going fishing—(Good luck.)
Webb Parker—Going to play soccer.
Richard Dean—Going to have some fun.
Santa Fernandez—Goof off.
Margaret Flores—Loaf.
Emma Hail—Go to Sacramento.
Kenny Franges—Going to Russian River.
Doug King—Taggin' along with Kenny.
Eloise Zanone—More fun.

SPRING ARRIVES SAY LOCAL POLICE

Spring is here if the blossoms in the local police department are any criterion.

Not only is Police Matron Juanita Guisti sporting a read camelia corsage, but flowers adorn the counter and desks. Mrs. Guisti's corsage, along with corsages for each woman city employee, was given as a farewell gesture of Sergeant W. B. Bolger. The sergeant is leaving the force after 22 years of service.

The other flowers were a gift to the department from Mrs. Lydia E. Talbott, 244 Westlake avenue. The local woman presented the flowers as a thank you to the department for getting rid of dogs who were allowing Mrs. Talbott no sleep.

A "STEPBROTHER" of the atomic battery is demonstrated by Pacific Telephone's public relations man, T. J. Libby. Here's a piece of wet paper and a penny actually powering an experimental piece of telephone equipment. This was one of Libby's demonstrations at the Lions' luncheon Wednesday.

DALY CITY LIONS VIEW "BUCK ROGERS" DEMONSTRATION BY PHONE COMPANY

For more than thirty minutes Wednesday, members of Daly City-Colma Lions club watched a "Buck Rogers" demonstration. The occasion was the club's regular luncheon meeting at The Colonial.

The futuristic note at the meeting was supplied by program chairman Tom Gilbert, Daly City telephone manager, and Ted Libby of Pacific Telephone's public relations department.

Amply supplied with gadgets, Libby held the attention of the group with amazing demonstrations of the transistor—a new, tiny device designed to do much of the work of its counterpart, the vacuum tube.

However, there is quite a difference between the two, he said Unlike the vacuum tube, the transistor has no glass envelope, vacuum, or filaments. The size of a .22 short rifle cartridge, it responds immediately to electrical impulses, does not throw off heat, and can be packed with its mates in a cramped space, Libby explained.

Libby showed the adaptability of the six year old development of Bell Laboratories. He used such transistor-equipped items as a vest pocket radio, wristwatch radio transmitter, handy-talkie, and a thousand cycle tone oscillator.

In his concluding remarks, Libby said that the transistor could, conceivably, reduce the size of telephone plant installations of the future and cut the cost of telephone service.

PREDICTS HIKE

County Manager E. R. Stallings predicted this week that the county general tax rate for 1955-56 will be boosted at least 35 cents from the present $1.38 rate.

St. Michael's Mothers To Hear John Henning

John F. Henning, an outstanding Catholic layman of the Archdiocese of San Francisco, will speak to the St. Michael's mothers at the regular monthly club meeting on Monday at 6 p.m., in the school auditorium, 55 Farrallones street.

Election of officers will take place at this meeting and a large attendance is anticipated.

SHERIDAN PTA INSTALLS EXECS

Installation of officers was held by the Sheridan PTA at 11:30 a.m. yesterday in the school auditorium. A luncheon at the "Town House" in Lakeside Village followed at 12:30 o'clock.

Mrs. Carl Rayna installed the following officers: the Mesdames E. R. Shade, president; Leslie Mulhair, vice-president; G. R. Erickson, recording secretary; L. Sabride, corresponding secretary; Charles Screeton, treasurer; Ezra Chase, financial secretary; William Kazakoff Jr., auditor; Joseph Magree, historian; Everett Hale, parlimentarian.

Court St. Mary Regent Is Recollection Day Chairman

Mrs. Maurice Clark, Vice Grand Regent of Court St. Mary, is court chairman for the San Francisco Archdiocese Day of Recollection which will be held at Lone Mountain on Sunday.

Moderator for the day will be Rev. Parnell McCarthy, state chaplain. Members from Court St. Mary who will participate in the day of prayer and meditation at the San Francisco College for Women will be: Margaret O'Sullivan, grand regent; Anne Ryan, prophetess; Elizabeth Wettstein, organist and state chairman of extension; Angela Johnson, Frances Walters, Margaret Fields, Dorothy Stewart, Anna O'Gorman, Eileen Glynn, May Baker, Marie Arata, Elsie Thompson and Hermina Schroer.

Tell Winners

Court St. Mary participated in sponsoring the CDA national poetry contest, and Mrs. Harvey Mumford, study club chairman, announces the following winners selected from entries from the Our Lady of Perpetual Help School:

Fourth grade — first prize — Uliana Malaspina; second — Bill Bruening; honorable mention — John Holt and Judy Ricci.

Fifth grade — first prize —Robert DeGroot; second — James McCann; honorable mention—Donna Almada and David Mealey.

Sixth grade—first prize—Eugene Tabor; second — Eileen Hughes; honorable mention—Gail Ann Randall, Janice O'Brien, Sylvia Villalta.

Seventh grade — first prize — Kenneth Eidson; second — Jane Gruenwald.

Eighth grade — first prize — Carol Caramazza; second prize—Hernando Fernandez; honorable mention — Thomas McFernley, Fred Marsh and James Finley.

Judges for the contest were Mrs. Mumford, chairman, Dorothy Stewart, Leslie Linhares, Elena Biagini and Georgina Denning. Three poems from each division will be sent to the state court, and state winners will be announced at the May conference of the CDA; national winners in August. Court St. Mary will award local winners with religious gifts.

Court Workshop

In conjunction with plans to inaugurate a junior court in the near future, members from Ct. St. Mary attended a special junior court workshop conducted by the state chairman for juniors. Those attending were Leslie Linhares general chairman for the project, Margaret O'Sullivan, Laverne Gentle and Audrey Sallade.

Visiting Court Margaret Mary of Hungary in Pittsburgh, for initiation ceremonies were Margaret O'Sullivan, Grand Regent, Mrs. Frank Gentle, Mrs. Lawrence DeFanti and Miss Frances Walters.

DC Auxiliary Will Meet With Nat'l Prexy

Eight members of Daly City Unit 410, American Legion Auxiliary, will be present at the luncheon Saturday when National President Bess Lainson makes her official visit to Northern California at Rickey's Country House below Palo Alto.

The local unit will observe April as child welfare month, since care of needs of veterans' children is one of the major objects of the Auxiliary. To assist in this program, the Daly City Auxiliary will hold a whist at Masonic Temple Wednesday, April 13, at 8:30 p.m. All persons are invited.

Daly City post and unit celebrated their 25th birthday at a banquet held Saturday night at Veneto's, with over 60 members in attendance.

Special recognition was accorded 25-year members.

Cocktail Party To Celebrate Opening Lagomarsino Bldg.

Cocktail party to celebrate grand opening of George Lagomarsino & Co.'s new building at 6701 Mission street will be held Saturday afternoon.

Invitations to attend the function have been sent to 500 persons, including county and city officials.

Lagomarsino said that opening for the real estate and insurance establishment was originally set for last December, but was postponed after he was injured in an airplane crash November 27.

Village Notes

By Gwin Mitchell

We have suddenly become aware of the interest in road races taken by some of the Broadmoor families. . . . Beechwood's Jack Bakers plan to be on hand for the Pebble Beach events and so do the Ken Gillespies, who have a friend who owns a Ferrari which once belonged to King Farouk, no less! They took off from Gilman drive for Stockton not so long ago, and watched said friend come in third in one of the races. Memento of that trip was a beautiful case of windburn for both Ken and Bunny!

Big excitement on Maddux—seems as though the sparks from soot burning in one of the chimneys agitated a call to the Colma fire department, which arrived at the scene almost before the phone was hung up. They barely beat the sidewalk superintendents, though—never saw so many people in cars and on foot and on bicycles congregate so fast!

That stork bird seems to be prejudiced in favor of Village Lane! He pleased the Nate Chelones with his gift of Lori Lynn, a nice new 7 lb., 9 oz. companion for sister Donna Marie, delighted the Paul Garrety family with Kathleen Joy, 5 lbs., 14 oz. of baby sister for Janice, and brought 6 lbs., 5 ozs. of new happiness to the Rex Gollabics in the person of small Randel, sister to Robin and Rickey. . . . Then the long-legged bird stopped in on Louvaine to leave the last of his group of little girls to the John DuMonts. Brother Dennis and sister Diane are very happy about Debbie Ann, who checked in at 6 lbs., 11 ozs.

Young lady of distinction around and about is Sheila Mendez, a five-year-old lass who won an honorable mention in a San Francisco newspaper's junior art championship department. The glow of pride in the upper Maddux drive area is all because of this! Congratulations, Sheila!

Double anniversary celebration for the Michael Orlichs of Garden Lane and the Glenn Souths of Larchmont, who went out to Veneto's in company with mutual friends Ruth and Tony Giammona. Dorothy and Mike have watched 11 years come and go together, and Pearl and Glenn have reached lucky 13. . . .

Over on MacArthur you can find Elizabeth Arnst scurrying around in a flurry of lists and books and meetings, burning lots of midnight oil; all this is because she is now the superintendent of the new third grade class in our Presbyterian Sunday school, with a staff of four to help.

The Village Play school open house certainly attracted a houseful! Small visitors were having fun in the play yard outside and with finger paints, books, records, blocks and dress-up clothes inside. Cutest of all was the hospital corner, with little girls in white nurses' aides' costumes. Parental cameras were kept busy! Kay Milder, Cassie Azevedo, Berta Macklin, Mabs Guz, Janet Rizzo, Thelma and Merritt Beckerman, Helen Scalice, Maurine Guymon, Inez Sturla, Jan Talbot, Gerrie Reichard, Jessie and Carleton Chesnut, Ruth and Joe Land, Aida Larsen, Marion Wickham, Donna and Clarry Ottosen, Doris Chichester and Fran Dethlefsen were some of the Broadmoorites and Garden Villagers we caught glimpses of, along with Westlakers Jean Cuniberti, Sheldon Morton, Bill Sawhill and the Russ Coghlins. There were lots more people there, so if we missed you, please accept apologies herewith!

The Vince Murphy's Midway ranch was the scene of a birthday rodeo for son John, lately turned five. Complete with western style decorations, prizes, place mats and appetites, 14 boys enjoyed ice cream and cake and then took off for the show, with Vi Murphy riding herd! Candy to eat in the show and kites to take home afterwards made Gordy Kullberg, Johnny and Joey Bell, Dean and Dale Taylor, Kenny, Gary and Ronnie Stettler, Stevie Lamentia, Chuckie Moore, Ross Hilton, Richard Orloff and Kevin Terry some downright happy cowpokes! . . . There was also a family party for the young man of the house two days before!

Department of Coming and Going: New neighbors over on Manila way are the Fred Hansons, whom we would like to welcome . . . and leaving us are the Charles Nafes, who have traded Manila way for Sunnyvale, and the James English family, who have orders from the Navy to up anchor on Larchmont and sail for the Hawaiian Islands. Good luck to both families!

Happy birthdays for the ladies have been coming around lately, too. . . . Gloria Dalzelle took her day to go downtown shopping and lunching with Alice Mitchell, her Washington street friend and neighbor. . . . Bea Meade of Maddux drive added Another Year That Doesn't Count, too!

Our three schools are in the throes of clown fever. . . . Seems they were visited by Dodo, a most gayly colored and friendly clown, who charmed all the teachers and delighted all the children, stirring each classroom into a whirl of whimsy!

The ranks of the Lords and Ladies of the Red Polka Dots are uncomfortably full these days, with Susan Swanson, Paula Baumgartner, Chrissie Talbot, Cathy Kerr, Linda Henry and Susan Helmer all being pretty sick little ones with measles, Heather Amans playing hostess to scarlet fever, and Ramey Lichtenberg, Joel Brody, James Buddha, Eddie Di Martini, Janice Hamilton, Judy Hargrove, Bonnie Mize and David Reichard not at all happy with the chicken pox. It's no fun, but it does go away in time, thank goodness. . . . Some other young ones haven't been up to snuff either: Mike Corso had another battle with tonsillitis, Janice Long didn't feel so good for a while, Judy Logan had a bad cold and the whole Manis family down on Village Lane went down for the count with flu. . . . Some of our parents had a bad time, too — Roberta Taylor, Virginia Collins and Jack Bjorkquist were quite sick for a while. We're sure all the friends of those on the sick list add their wishes for recovery and a good case of excellent health to ours. . . .

While Billie Buchanan spent a happy Sunday in Richmond having dinner with a group of girls she used to work with, husband Bob locked the front door of their Manila Way home and took sons Jim and Johnny on a jaunt which included visits to the parks and the oil refinery areas, winding up with a family ride on the Richmond ferry as the long way around to come home.

Betty and Bud Christman left Foothill for a high old time in Las Vegas, just the two of them, where they saw all the shows and enjoyed their first long weekend away from home sans children in a long time. . . . Needless to say, like all parents, they couldn't wait to get back home to the young ones again!

Ken and Gerrie Reichard are one busy pair these days. . . . Now that Ken's studio and workroom is going to be needed for a nursery, he has moved over to the Westlake Camera Shop, to take charge of the portrait studio, and he is shuttling back and forth between Gilman and South Mayfair getting settled. . . . The adorable pictures of the Village Play school children, which covered one whole room of the school at the Open House, are excellent proof of what Ken and Gerrie can do with their cameras. . . .

Heading north recently were the Mel Hahns of Nimitz, who took sons Melvin and Kenny up Ukiah way for a happy family weekend excursion. . . .

Gary Stettler had a double fifth birthday celebration, too, just like his friend John Murphy. Being a St. Partick's Day lad, he went to the VFW luncheon for one treat, and had a party of his own with Stevie Lamentia, Chuckie Moore, Dale and Dean Taylor, John Murphy, Billy Tobin, Johnny and Joey Bell, Gordy Kullberg and Kenny and Ronnie Stettler as his companions in cake and ice cream.

Among those attending the study course in Confraternity of Christian Doctrine, currently being conducted through Holy Angels church, are Bea Gantert, Billie Buchanan, Margaret Musto, Mary Jane O'Brien, Eileen Crofton, Ines Dryden, Eleanor Murphy and Rosemary Wilkinson.

Friends and neighbors of the Wayne Brittons of Village Lane have been saddened by the recent death of Mrs. Britton. We would like to join them in offering our very sincere sympathy to Professor Britton and his son Craig. . . .

Those of you who like organ music will be glad to know that Reginald Greenbrook, organist of the First Presbyterian church in San Francisco, will join with the sanctuary choir in providing the music at the dedication of the new organ at our own Presbyterian church on Palm Sunday. The ceremonies will begin at 3:30, and everyone is welcome to attend.

Speaking of music, Walter Subke, flutist with the San Francisco Opera Company and resident of Washington street, held a recital atthe Lucien Labaudt Art Galleries recently, in company with Douglas Thompson, pianist, and Tadeusz Kadvielawa, cellist. Friends who attended called the recital a great success, and the reviews in the papers more than bore this opinion out. The Subkes have something to be proud of!

Jane Whitehead's sister, Mrs. A. V. Jacoubowski, spent three days at Jane's Beechwood drive home on her way back to Long Beach after a trip to New York and Washington, D.C. Mrs. Jacoubowski does volunteer work for the UN, and had some very interesting things to tell concerning her job and recent trip.

The message on the large clown posters at the Broadmoor Shopping Center may sound cryptic to some, but it's clear to our school children and their parents!

Harriet Hagerman and Frances Avinzino gathered up Brownie Troop 183 and headed for the Great Outdoors as seen in the Orange Avenue Park in South San Francisco, where they spent a happy Saturday 4-hour lunch time in the company of hot dogs, marshmallows, games, swings, slides and excited little girls! Quite a day!

Stanley party of the week was given by Gracia Krueger over on Louvaine, with Florence Adasiewic as demonstrator. Guests present were Ray Mullen, Bea Gantert, Charlotte Spruiell, Dorothy Swoverland and Mrs. Lee, her mother, Addie Mattison, Aleen Johnson, Martha Pinney, Gracia's mother, Mrs. Reed, and Mrs. Roundey.

There has been confusion for some time concerning the fact that there are two Mitchell families on Maddux, one at 763 and one at 768. There is an invalid in the home at 763, who has often been disturbed by the telephone ringing with calls intended for us. Since we live at 768, we would like to do our best to correct this situation by announcing that our phone number, as given at the head of the column, is listed under John Mitchel; not under Holmes Mitchell, so that future calls will not disturb our neighbor.

We'd like to leave this bit of spring whimsy with you as a day-brightener:

Daydreams showing on their faces,
Secrets, dresses, going places,
Flowers for their braids or curls—
Spring is here for little girls. . . .
Running, shouting, bats and balls,
Teasing girls and climbs and falls,
Special plans and kites and noise—
Spring is here for little boys!

CROCKERITES REPORT

The fololwing articles were written by the students of Crocker school.

Sixth Grade
Miss L. Connelly, Teacher
Written by Barbara Cohn and Tommy Torres

On March 24 we had a Marionette Show, dramatized by the Heywards. I'll try to describe the Marionettes as well as I can. There was a coyboy, a skeleton, a cat on roller skates, and a dog on a bicycle. Before they worked the Marionettes Mr. Heyward did some magic.

Monday, March 21, the third and fourth grades from General Pershing school moved into the new Multi-purpose room. The teachers' names are Miss C. Lekas, the third and fourth grades, and Mrs. J. Edgerley, the fourth grade. The new children are very well-mannered.

On Wednesday, ten of our South American ceremonial masks were selected for an art exhibit at the Lions club. I think the children of our class have a very fair chance of winning a prize. Of course, there will be many other types of art displayed. We're crossing our fingers that one will win a prize.

All the children in the school are writing an essay on George Washington.

We have a book club. Today we are going to have our first meeting. Judy Lee is our chairman.

Thursday, there is going to be a Marionette Show in the Multi-purpose room.

Our class studied and made reports on conservation.

BOOSTERS LEAVE CAR BARE SECOND TIME

Marvin E. Lake, 60 Lynnewood drive, is minus hub caps on his car for the second time this month.

Just March 17 he reported to police that all four of the hub caps were missing, and yesterday (Wednesday) police were informed of the theft of the new hub caps. Car boosters evidently struck sometime Tuesday night, as the hub caps were gone when Lake left for work the following morning.

PUPILS VACATION ON FRIDAY WHILE TEACHERS WORK

Pupils attending Jefferson Elementary schools will be given a holiday tomorrow (Friday). Teachers, on the other hand, will be going back to school to improve their teaching techniques.

April 1 has been declared an institute day for local teachers and administrators. For the past several years, the Friday before Easter vacation has been set aside for a one-day workshop on a subject the teachers feel is important for closer study.

This year the workshop theme is "Discipline in School and Home." District staff members will be privileged to hear Mr. George Sheviakov, a nationally recognized authority on discipline. The rest of the day will be spent in small group meetings studying various aspects of discipline. Among the topics the groups will discuss are: "Classroom Management," "The Teacher as a Counselor," "The Role of Subject Matter in Good Discipline," and the "Role of School Home Rapport in Discipline."

Council Holds Over Report On Parking

A 14-page parking authority report was submitted to the city council Monday night.

In view of the length and scope of the report, councilmen decided to give it further study before taking any action on recommendations in the parking study.

The Colorado River was discovered by de Alcarcon August 26, 1540.

Baltye To Head DC-Colma Lions

Nominating committee for Daly City-Colma Lions announced Wednesday the new officers to serve for the coming year.

They include: Melford Baltye, president; Roy Arneson, vice president; John Radhuber, second vice president; Jack Price, third vice president; John Ferrari, treasurer; Ira Neville, secretary; Charles Hildebrand, lion tamer; Sam Felser, tail twister; Joe Rohl, Vince Murphy, Harry Carusis, H. Z. Weibel and Joseph Belli Jr., directors.

The officers, selected by nominating committee of Walt Rector, chairman, William Sweeney, Elio Fontana and Stanford Hannah, will be installed in June.

Lions announced at this week's meeting that 27 local members will attend the Hoberg convention May 5, 6, 7 and 8.

Several Lions have accepted invitations to attend April 30 moving commencement exercises at Guide Dogs for the Blind school in San Rafael.

Next week Lions will appear at the student speaker contest zone finals at Green Hills Country club, with Millbrae Lions as hosts.

At Wednesday's meeting President Belli received two awards for outstanding service. Zone Chairman Walt Rector presented Belli with a bronze paperweight from the Lions International for securing seven members in January.

Rector also gave Belli a gavel and block for his services as outstanding Lion president the past year in the local zone, which consists of five clubs.

Colma Man To Appear Before Judge Bocci On Drunk Driving Charge

James Andrew Spinney, 615 Eighty-seventh avenue, Colma, was released today (Thursday) on $250 cash bail. He is scheduled to appear before Judge Thomas L. Bocci in Municipal court next Thursday at 10 a.m.

Spinney, 46, was picked up last weekend by local police at Mission near Citrus here and charged with drunk driving. He was taken to Junipero Serra hospital where he flunked a sobriety test, according to police.

Leave Of Absence

Beatrice Thimis, stenographer clerk in the city administrator's office, was given a two-months leave of absence by the council Monday night, starting April 15.

Councilmen asked that a temporary employee be hired to fill her position.

COUNCILMEN HOLD VOTE ON CAR LOT

Two councilmen abstained from voting Monday night on a motion to grant permit for another used car lot in Daly City.

Del Wilson and Micheal De Bernardi withheld their vote because, "We are interested in rescinding the present used car ordinance," according to DeBernardi.

The application for the lot to be located at 6500 Mission street, entered by Lawrence Cristofani, was approved, 3-0.

Merchant Asks City Delegate Power On Parking Problems

George Glass, proprietor of a local grocery store, urged that power to solve parking problems be "delegated to someone" in a letter to the city council Monday night.

Glass said that the local parking problem, becoming more acute all the time because of abandonment of angle parking, buses and all-day parkers, should "merit consideration of the entire city."

He said inadequate parking not only affected property values but provided traffic hazards.

Glass pointed out that as a tenant, it was difficult for him to solve the problem, and related that many other merchants were in the same situation.

According to Glass, off street parking is a necessity.

THE LADIES ARE SMILING at the success of the recent fashion show planned to raise money for the building of Our Lady of Mercy church in Westlake. A total of 858 women attended the show, and 230 had to be turned away. About $5000 was raised, according to Father Richard W. Power. Clothes from H. Liebes were shown. Shown here are (clockwise around the table): Father Power, Mesdames C. Malloy, Sidney Liebes, Joseph McCarthy, John J. Murray, Henry Doelger, Joseph Verducci, Casimir J. Norton and Laurence McDonnell.

Betrothal Of Kissling, Galindo Told

Betrothal of Joan Kissling of Burlingame to Edward Galindo of Daly City was announced this week by Mrs. Olga Kissling, mother of the bride-to-be.

Galindo, son of Mr. and Mrs. Jerry Galindo, 173 Hillcrest drive, is employed as a machinist in South San Francisco.

He was graduated from Jefferson High school, class of '51, and participated in baseball, basketball and swimming.

From 1951 to 1953 Galindo served in the U. S. Air Force.

The couple plan to wed in June of 1956.

TROOP NO. 9 HOLDS REGULAR MEETING HERE

Girl Scout Troop number 9 held their usual meeting Monday night. Diana Strubel won the prize for selling the most Girl Scout cookies and nuts in this troop. All the girls worked very hard, but Diana worked a little bit harder.

The troop started on their good grooming badge Monday night. They are also very busy making skating skirts to wear while they are taking skating lessons. They are all using the same pattern, but each girl choses her own color and material. The troop takes skating lessons every Tuesday after school out at Skateland at the Beach to earn their skating badge.

Their leader, Mrs. A. E. North, provides transportation.

The girls taking part in the skating lessons are: Linda Angle, Sherrill Klingler, Dona Phelps, Mary Alice Olson, Norma Ann North, Diana Strubel, and Mary Ellen Unger, who has moved into San Francisco, but will still take part in this troop for the rest of the term.

The thirty leading import commodities shipped through the San Francisco Customs District in 1953 had a value of $367,377,226.

Cayenne pepper is hot and pungent, and a bright red color.

INJURED KIDS CROWD HOSPITAL

Injured children have kept Junipero Serra hospital personnel busy the last two days.

Patricia Cembrook, 10, 808 Stoneyford, Colma, was treated for a bruised head yesterday afternoon (Wednesday). She was injured at Holy Angels school when she was hit on the head with a rock.

Penny Killam, 7, of 378 Chester street here, suffered two broken bones in her left arm this morning when she fell from bars at Colma school. Her arm was set in a cast and she was released.

Two-year-old Thomas Gardner of 37 Wilshire avenue here, suffered dog bites on his left hand and forearm this morning, was treated and also released.

Hillside Re-Paving To Start Soon, Smith Says

Contract for re-paving of a ragged section of Hillside boulevard will be let within six weeks, City Engineer Edwin Smith said at Monday night's council meet in answer to a query by Don Lesher, president of the Hillside Improvement association.

Smith said that money for the project was budgeted to re-pave the road from Mission to Price streets.

Ordinance No. 407

AN ORDINANCE DECLARING INTENTION OF THE CITY OF DALY CITY TO VACATE A PORTION OF A PUBLIC STREET AND FIXING TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED VACATION.

WHEREAS, the City Council of the City of Daly City is informed that a portion of a certain street known as San Pedro Road in said City hereinafter described is unnecessary for present or prospective public street purposes, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941, vacating said portion of said street;

NOW, THEREFORE, The City Council of the City of Daly City does ordain as follows:

Section 1. It is the intention of said City Council to vacate a portion of that certain street known as San Pedro Road in the City of Daly City, County of San Mateo, State of California, and particularly described as follows:

BEGINNING for reference at the concrete monument at the intersection of the centerline of Westmoor Ave. and Baldwin Ave. as said monument is shown on the map entitled "WESTLAKE UNIT NO. 7B, DALY CITY, CALIFORNIA" said map being filed in the office of the Recorder of the County of San Mateo, State of California, on February 25, 1955, in Book 41 of Maps at pages 19 and 20; thence South 0° 10' 00" East 65.53 feet to a point on the Northerly line of Edgemar Road, also known as County Road Route 2, as shown on said map; thence along said Northerly line South 38° 39' 05" West 85.89 feet to the true point of beginning; thence from said true point of beginning, continuing along said Northerly line South 38° 39' 05" West 244.13 feet; thence Westerly along the arc of a curve to the right, tangent to the preceding course with a radius of 170 feet and subtending a central angle of 57°, an arc distance of 169.12 feet; thence along a course tangent to the aforesaid curve North 84° 20' 55" West 275.34 feet; thence Southwesterly along the arc of a curve to the left, tangent to the last said course with a radius of 130 feet and subtending a central angle of 87° 02' 46", an arc distance of 197.50 feet to a point of intersection with the Easterly line of Southgate Avenue as shown on said map; thence leaving said Northerly line of Edgemar Road Southeasterly along the arc of a curve to the left, tangent to a line bearing South 36° 22' 03" East, with a radius of 20 feet, and subtending a central angle of 53° 47' 57", an arc distance of 18.78 feet; thence along a course tangent to the last said curve North 89° 50' East 43.32 feet to a point on the Southerly line of said Edgemar Road, thence along said Southerly line Northeasterly along the arc of a curve to the right, tangent to a line bearing North 9° 24' 13" East, with a radius of 70 feet and subtending a central angle of 86° 14' 52" an arc distance of 105.37 feet; thence along a course tangent to the last said curve South 85° 20' 55" East 275.34 feet; thence Easterly along the arc of a curve to the left, tangent to the last said course with a radius of 230 feet and subtending a central angle of 4° 01' 22", an arc distance of 16.15 feet to a point of intersection; thence leaving said Southerly line of Edgemar Road Northeasterly along the arc of a curve to the left, tangent to a line, bearing North 69° 42' 14" East, with a radius of 475 feet and subtending a central angle of 53° 40' 47", an arc distance of 450.02 feet to the true point of beginning.

CONTAINING 0.88 acres, more or less.

Section 2. Reference is hereby made to the maps on file in the office of the City Clerk of the City of Daly City for particulars as to the proposed vacation.

Section 3. Monday, the 25th day of April, 1955, at 8:00 o'clock P.M. of said day, in the Council Chambers in the City Hall of the City of Daly City be, and the same is hereby fixed as the time and place for hearing all persons interested in or objecting to said proposed vacation.

Section 4. Notices of street vacation shall be posted conspicuously along the line of the portions of said streets so proposed to be vacated. Such notices shall be posted not more than 300 feet apart, but at least three shall be posted, and such notices shall state the passage of this Ordinance of Intention and the time and place of hearing thereon.

Section 5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested and, if said City Council then finds from all the evidence submitted that such portion of said street is unnecessary for present or prospective public street purposes, said City Council will make its Order vacating said above-described portion of said street.

Section 6. This ordinance shall be published by one insertion in The Daly City Record, a newspaper of general circulation, published and circulated in said city and shall take effect and be in force upon the expiration of thirty (30) days after its passage.

Introduced this 14th day of March, 1955.

Ordinance No. 406

AN ORDINANCE FIXING AND ESTABLISHING WATER RATES IN THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

SECTION 1. The rates to be paid for water shall be as follows:

For any amount up to twenty-two hundred and fifty (2250) gallons per months served within the incorporated limits of the City of Daly City, the sum of one dollar and twenty-five cents (1.25) shall be charged; any amount of water used more than twenty-two hundred and fifty (2250) gallons per months and less than five thousand (5000) gallons per month, shall be charged for at a rate of forty cents ($.40) per thousand gallons; any amount of water used in excess of five thousand (5000) gallons per month shall be charged for at a rate of thirty cents ($.30) per thousand gallons.

Provided, however, that a discount of fifty cents ($.50) every two months shall be allowed all water consumers within the City of Daly City, who pay their water bills on or before the 15th of each month following the regular bimonthly meter readings.

Provided further, that no discounty shall be made or allowed to any consumer until all unpaid delinquent water bills standing against said consumer have been fully paid and credited.

SECTION 2. For any amount up to twenty-two hundred and fifty (2250) gallons per month served not within the incorporated limits of the City of Daly City, the sum of two dollars and fifty cent ($2.50) shall be charged; any amount of water used more than twenty-two hundred and fifty (2250) gallons per month and less than five thousand (5000) gallons per month, shall be charged for at a rate of eighty cents ($.80) per thousand gallons; any amount of water used in excess of five thousand (5000) gallons per month shall be charged for at a rate of sixty cents ($.60) per thousand gallons.

SECTION 3. Ordinance Numbers 123 and 338 and all ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 4. This ordinance shall be published by one insertion in The Daly City Record, a newspaper of general circulation, published and circulated in said city and shall take effect and be in force upon the expiration of thirty (30) days after its passage.

Introduced this 14th day of March, 1955.

Ordinance No. 408

AN ORDINANCE PROVIDING FOR UNDERGROUND ELECTRIC INSTALLATION AND SERVICE THERETO WITHIN CERTAIN AREAS OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

SECTION 1. The term "Persons" as used in this ordinance shall be deemed, and is hereby declared, to include persons, firms, copartnerships, associations, or their agents or employes, and the term "supplying agency" shall include all persons supplying electric service.

SECTION 2. After one year from the effective date of this ordinance it shall be unlawful for any supplying agency to erect, construct, maintain, use, continue to use, operate, continue to operate, any pole or overhead wire for the purpose of communication, transmitting and/or distributing electricity, including service wires, in, on, along or across, or partly along or partly across the following described area, excepting wires of a continuous lead along any intersecting streets crossing the following described area at such intersections, provided that no poles shall be erected, maintained, or operated within the boundaries of any such intersection as determined by extensions of property lines across such intersecting streets. Said area shall extend along Mission Street from southerly line of Crocker Avenue extended to the northerly line of Theta Avenue extended. San Jose Avenue from the southerly line of Shakespeare Street to the northwesterly line of Mission Street.

SECTION 3. After ten months from the effective date of this ordinance it shall be unlawful for any person owning real property on or along said area to permit or to compel any supplying agency to suspend or to continue to suspend from such persons' premises any overhead service wire connected with any overhead distribution line above the above described area for the purpose of supplying such premises with electricity or communication.

SECTION 4. Within ten days after the effective date of this ordinance it shall be the duty of the Building Inspector, and he is hereby directed, to notify all persons owning real property along the above described area of the passage of this ordinance by leaving a copy thereof with such owner, or with the occupant of such property, and at the same time and in the same manner to further notify such owners that if they desire to receive electric service after ten months from the effective date of this ordinance they shall make all necessary wiring changes on their premises so as to receive underground electric service from the underground service wires of the supplying agency at service boxes to be located on the sidewalk or street area, or to receive service from the overhead lines of the supplying agency at a new location as approved by the Building Inspector, all in accordance with the rule and regulations applicable thereto as approved by the Public Utilities Commission of the State of California. If any such property owner shall fail to make the necessary changes in the electric wiring on his premises within ten months from the passage of this ordinance and thereby prevent the supplying agency from removing its overhead service wires, the Building Inspector shall, and he is hereby directed to notify such property owner by notice in writing to make the necessary changes in the electric wiring on his premises within thirty days. If any property owner fails, neglects or refuses to make such necessary wiring change within said thirty day period, then the Building Inspector is hereby directed to disconnect such service wires from the premises of such property owner, and the cost of so doing shall become a lien upon the real property theretofore served from such service wires.

SECTION 5. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council of the City of Daly City declares that it would have passed this Ordinance, and each section, sub-section, sentence, clause and phrase thereof, irrespective of the fact that any one or more other sections, sub-sections, sentences, clauses or phrases be declared unconstitutional.

SECTION 6. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not less than Fifty ($50.00) Dollars, nor more than Two Hundred ($200.00) Dollars; each such person shal be deemed guilty of a separate offense for every day such violation, disobedience, or refusal shall continue, and shall be subject to the penalty imposed by this ordinance for each and every such separate offense.

SECTION 7. This ordinance shall be in full force and effect thirty days after its passage and publication as required by law.

Introduced this 28th day of February, 1955.

Passed and adopted as an ordinance of the City of Daly City, California, at a regular meeting of the City Council of Daly City held the 28th day of March, 1955, by the following vote, to-wit:

NOTICE OF SALE OF BONDS —of— JEFFERSON UNION HIGH SCHOOL DISTRICT of the County of San Mateo, State of California

The Board of Supervisors of the County of San Mateo hereby invites sealed proposals for the purchase of TWO HUNDRED EIGHT THOUSAND DOLLARS ($208,000.00) worth of bonds of the JEFFERSON UNION HIGH SCHOOL DISTRICT, a Union High School District of the County of San Mateo, State of California, and bids therefor will be received by said Board of Supervisors up to the 19th day of APRIL, 1955, at the hour of 10:00 o'clock A.M. of said day, when all bids received will be opened at the Chambers of said Board in the Courthouse, Redwood City, San Mateo County, California. Said bonds are numbered from 677 to 884, inclusive, and each is of the denomination of One Thousand Dollars ($1,000.00) and shall bear interest at a rate not to exceed five per centum (5%) per annum, payable annually for the first year the bonds have to run and semi-annually thereafter on the 1st day of January and the 1st day of July of each year, principal and interest payable in any coin or currency which on the respective date of their payment is legal tender for the payment of public and private debts at the office of the Treasurer of said County of San Mateo at Redwood City, California, and will each bear date of JULY 1st, 1951. Each bidder shall specify in his bid the rate or rates of interest he desires said bonds to bear, not to exceed five per centum (5%) per annum, and the premium offered, if any. Bidders may make one or more alternative bids or offers for said bonds at different interest rates. Split rate interest bids will be received and it shall not be necessary that all bonds offered for sale bear the same rate of interest, but such interest shall be in multiples of one-quarter of one per cent. The definitive rate of interest said bonds shall bear shall be determined at the time of sale. The best bid will be determined by deducting from the total amount of interest which the district would be required to pay up to the maturity of the bonds, at the coupon rate or rates specified in the bid, the amount of the premium, if any, bid therefor, and the award will be made at the lowest net interest cost to the District.

The number of years said bonds will run and when payable are as follows:

FIFTY-TWO THOUSAND DOLLARS ($52,000.00) of said bonds shall mature on the first day of JULY in each of the years from and including 1965 to and including 1968.

Said bonds are a part of the unsold remainder of a bond issue totaling $1,300,000.00, of which $676,000.00 have been sold and of which $520,000.00 worth are now outstanding, and will be issued in pursuance of the election held in said school district on the 18th day of MAY, 1951, and in conformity with the laws of the State of California and pursuant to and in compliance with and in the form prescribed by resolution and order of said Board of Supervisors adopted on the 19th day of JUNE, 1951, and entered in the Minutes of said Board, to which reference is hereby made for greater particularity.

At said election 2687 votes were cast; 2112 of said votes were cast in favor of the issuance of said bonds, 551 of said votes were cast against the issuance of said bonds and 24 ballots were void and not counted.

Such proposals and bids may be addressed to said Board of Supervisors and bids may be made for either the whole issue of said bonds or for parcels thereof. Bids must be for not less than the par value of the bonds bid for, and be payable in cash in lawful money of the United States. The right is reserved to sell said bonds as a whole issue or in parcels and to reject any and all bids. Bids must be accompanied by a certified check, certificate of deposit or cashier's check upon or of some responsible bank in the sum of Five Thousand Dollars ($5,000.00) payable to the Chairman of the Board of Supervisors and conditioned that if the proceedings be legal the bidder will purchase said bonds at the price bid and pay for the same at the office of the Treasurer of the County of San Mateo within five (5) days after notice given that such bonds are ready for delivery.

The assessed value of the property situated within the said school district, as shown by the last assessment roll is $48,997,358.00, and there is an outstanding bonded indebtedness in the sum of $532,000.00.

The purchaser will be required to funish his own legal opinion as to the legality of said bonds.

The Jefferson Union High School District includes within its limits the incorporated City of Daly City, The Town of Colma, the unincorporated areas of Brisbane, Bayshore, Broadmoor, San Pedro, Sharp Park, and outlying areas, and the District has a population of approximately 36,000.

The District has within its limits several banks and numerous places of business. There is no controversy or litigation pending or threatened concerning the validity of the above bond issue, the existence of the District, or the title of the officers to their respective offices.

By order of the Board of Supervisors of the County of San Mateo.

Dated: MARCH 15th, 1955.

School Notebook

Last week's small fry dinner table conversation consisted mostly of excited chatter about the various characters in the Marionette Circus, shown to all the pupils of our three Broadmoor area schools, to say nothing of all the exuberant visits of Dodo the Clown to all the classrooms, where he left pictures for each child to color and a bright poster about his coming appearance on the stage of the Jefferson High School auditorium.

Benjamin Franklin

Mrs. Geigers second grade has made a most wonderful farm out of small cardboard boxes, nails, string and paint. Complete with all the necessary farm buildings and fences, it stands in the middle of lots of cardboard acreage, truly a work of art! . . . Miss Franck's first grade has come under the spell of spring, for they have put their green thumbs to work planting nasturtium seeds. In tune with the times soon to come, they have also made a beautiful Easter egg tree, complete with all the Easter colors. . . . Mrs. Slater's and Mrs. Delams' third grades did a bit of traveling—to the Junior Museum at Coyote Point, where they had a chance to learn more about the world in which they live.

Garden Village

Mrs. Brown's 3rd grade visited kindergarten and first grade rooms during Girl Scout Week, explaining all about Brownies and what they do in their troops and at camp. Another interesting school project is under way in this class—puppets are being made of storybook characters read about during the year, and a play is being made ready. News time commentaries have touched upon pets, sports, friends, clubs and weekend happenings, as decided by the committee in charge. . . Miss Will's third grade are turning map-makers, beginning with the Bay Area and San Mateo county. The biggest project is a relief map of the latter, which will include bridges, airport landing fields and other subjects of interest. . . . The various styles and kinds of clothing in the countries of the world are the study interest of Miss Campbell's third grade group. At the moment, Eskimos are the subject of interest, with dolls being made of pie plates, brown paper, crayons and cotton. . . . Springtime seems the best time of year to learn about birds, which is exactly what Mrs. Fisher's fifth grade is doing, as birds will be their theme at the Little Spring Festival. Science and art studies are centered on this theme, with poetry as the language study for spring.

RECENT INSPECTION of Daly City Special Police Reserves resulted in a "100 per cent" rating for the reserves. Chief R. A. Petrocchi made inspection and gave talk commending group for their organization over the past three years. Current drive is underway to increase size of reserves from the present 15 to 75 in order to boost civilian defense manpower. Training classes are being conducted by Officer John Walsh and those interested may still register. Pictured at inspection are (left to right, first row): M. Plansky, Les Nicolini, Vern Simpson, Petrocchi, Wayne Carr, Frank Bach, Al Perada; (second row) Joe Gehrig, Marty Strubel, Joe Hathaway, Bob Murchison, John Matzek, Vern Tramberg, Sam Sturdevant and Harold Henderson. Absent is Stanley Thomas.

LIBRARY NEWS

By Lorraine Rollandi

A recent issue of the Library Journal featured an article which listed the notable books of 1954, as compiled by the Notable Books Committee and 79 participating libraries, and issued by the Public Libraries division of the American Library Association. (The Daly City Library has an institutional membership in this national library organization.) These books were selected in terms of quality, authenticity, honesty of purpose, and potential contribution to the resources of the reader as a citizen and as an individual. Notable books of 1954 which are in the Daly City collection are listed below: (Annotations are taken from the March 1 issue of the Journal.)

Arnow, Hariette — "The Dollmaker" — In this powerful novel, a simple Kentucky woman with a talent for carving, brings faith and courage as a shield of protection for her family in the tragic living conditons of wartime Detroit.

Basso, Hamilton — "View From Pompey's Head" — Pompey's Head is more than a tradition steeped Southern town. It is a way of life and thinking. A New York lawyer returns to this home of his youth on a difficult mission. He leaves it with added maturity. A deft, satiric novel of the complexities of character of a man and a community.

India's Problems

Bowles, Chester—"Ambassador's Report"—The author's experiences as ambassador to India from 1951 to 1953. Notable for his discern and sympathetic portrayal of India's complex problems. A states manlike book and highly readable.

Buck, Pearl — "My Several Worlds" — The personal record of a life divided between Asia and America provides a revealing study of the friendships and misunderstandings between the East and the West.

Commager, Henry — "Freedom, Loyalty, Dissent" — Five essays providing vigorous arguments for freedom of thought and action in America today.

Davis, Elmer — "But We Were Born Free" — With sanity and courage, these essays, by a distinguished radio commentator, analyze the dangers of our freedom inherent in the methods of some who claim to defend it. Written with righteous indignation and a sharp pen.

Dodson, Kenneth — "Away all Boats" — An authoritative novelized history of amphibious warfare in the Pacific. Told superbly by one who knows his subject well.

Hagedorn, Hermann — "The Roosevelts of Sagamore Hill"—A family portrait with "T.R." the center of all activities—family and political. Great events mingled with a refreshing amount of domestic felicity.

Escaped To Lhasa

Harrer, Heinrick — "Seven Years in Tibet"—An Austrian, interned in India during World War II, escapes and makes his way to Lhasa. He becomes a friend and mentor of the Dalai Lama. A discerning and colorful picture of the customs and peoples of a fascinating country.

Horgan, Paul — "Great River" —A gift author of the Southwest writes not only a history of the Rio Grande river but a saga of New Mexico and Texas from ancient to modern times. Poetic prose, combined with the creativeness of a fine novelist and the thorough research of an objective historian, has produced a remarkable book.

Hunt, Sir John — "Conquest of Everest" — Thrilling account of the successful ascent of Mt. Everest told by the leader of the British expedition.

LaFarge, John — "The Manner Is Ordinary"—A Jesuit priest, son of an American artist, recounts his life as a member of a famous family and his humane and warmhearted work with the interracial and underprivileged groups.

"Cause of Peace"

Lie, Trygve — "In the Cause of Peace" — The former Secretary General of the United Nations writes a straightforward account of the questions which arose during his seven years in office. Based on official data and his own diaries. Gives recommendations for changes in policy to assure peace.

Murchie, Guy — "Song of the Sky"—Our world of air and sound and flight told in terms of man's progress in transportation and communication. It is science and history and adventure combined with poetic writing to make one of the most absorbing books of the year.

Robertson, Robert — "Of Whales and Men" — Life on a modern whaling expedition provides fascinating reading. The officer was the medical officer for the men in "one of the world's most unusual occupations."

St. John, Robert — "Through Malan's Africa" — The dark corners of South Africa laid bare in the blazing light of truth by a reporter who seeks justice for the natives.

Smith, Lillian — "The Journey" —Author's spiritual journey into the past and the significance of what she learned described with feeling and insight. Sets the reader on a "journey" of his own.

White, Elwyn — "Second Tree From The Corner"—A whimsical miscellany of essays and sketches by one of the outstanding humorists of our day.

Library Visit

Recent visitors at the Daly City Library were the second graders from Jefferson Elementary school and their teacher Mrs. Ludwith. Mrs. Plummer, children's librarian, gave the class special instructions on the use of the library and books, and told them several stories. The children's librarian also visited the Crocker and Woodrow Wilson schools to announce a special St. Patrick's Day folk tale which she would tell on March 16. Fifty youngsters were on hand to hear the Irish folk tale, and all sported perky green bows which were distributed by the librarian. Children's story-telling is held every Wednesday afternoon at 3:45 at the library—6351 Mission street.

DALY CITY REC SOFTBALL PLAY OPENS APRIL 18

Start of the Daly City recreation softball league has been tentatively set for Saturday, April 18, according to James Mason, director.

All games will be held at Marchbanks park. In order to qualify all boys must be in either the seventh or eighth grades.

The league will be divided into two divisions, with Class "A" being for eighth graders and Class "B" for seventh graders.

Those interested may sign up at the Daly City community center with Ed Mosconi or John Belforte.

A heavy turnout is expected, Mason reports. Such schools and areas as OLPH, Holy Angels, Colma, Broadmoor and Westlake will probably enter teams.

All ball clubs will be restricted in number to allow for those who sign up to see as much action as possible.

Jeffs Rap JV Nine 2nd Time

Jefferson High school's Indians were ingracious hosts last Friday as they handed the visiting San Francisco State Jayvee baseball club a 7-4 beating.

A five-run first inning, fashioned by homers off the bats of Bob Grubb and Bob Gaggero and a triple by Al Figone sewed up the contest. It was the Indian's second straight win over SFS.

Grubb opened the inning with his four-bagger. Bob Bailey reached first on an error and was driven in by Figone's triple. Shortstop Ken Smith was then walked and was dispatched around the bags when Gaggero let fly with a .425 footer.

Ray Vuillmainroy went five innings for the Jeffs, giving up all four runs on six hits, walking one batsmen and striking out five. Jim Honeywell showed finesse on the hill in the final innings as he held the SFS nine hitless and struck out four batters, walking one.

The Indians had a total of seven hits, against six for the losers. The Jeffs miscued once, while SFS bobbled a pair.

Bailey and Gaggero were top hitters for the locals, getting two for three, while Grubb had a perfect one for one.

Coach Lou Martin's Indians will be out to get within shooting distance of their 20-win goal next week when they engage in five practice games during the Easter vacation.

The busy week starts Monday against Balboa here at 1:30 p.m. Tuesday the Daly City club takes on Serra and follows up Wednesday against Riordan. Both are home games, beginning at 3:15 p.m.

On Thursday the Jeffs tangle with Washington here in a doubleheader, with first game starting at 11 a.m.

Guard Company 'L' Turns Cavalry; Nips 'M' In Donkey Game

On Tuesday night a determined Daly City team made up of men from National Guard Company "L," faced a rugged San Francisco five representing Company "M" in a hilarious game of donkey basketball.

With the fine ball-handling of Bob Grubb, Don Ide, LeRoy Storm, Nick Sutter and Bill Gensel, "L" company matched the sharpshooters of "M" company point for point, the half-time score reading 12 all.

In the second half things really began to happen. The donkeys were having a great time as they threw the stalwart athletes onto the floor time and time again. But this action discouraged neither side, as both teams, although playing in fun, were going all out for the victory. At the end of the third quarter, the Daly City boys held a close 20-18 lead.

Things broke loose in the last quarter; "M" company, pressed for time, had to get back into the ball game. With only a minute left in the game, and the score tied at 22 all, Corporal Suarez of "L" company gained possession of the ball and galloped full steam down the court. At the mid-stripe, encircled by opposing players and donkeys, Suarez looped the ball to Corporal LeRoy Storm, who had galloped in from the sideline. With the ball in his possession, Storm raced double-time for the basket and at the last minute, passed the ball over the waving, desperate arms of the opponents, and into the welcoming hands of Sergeant Don Ide, who tanked the winning two points for Daly City.

The roster of this victorious club was as follows: Sergeant Harlon Smith, Sergeant Don Ide, Corporal Bob Grubb, Corporal Suarez, Corporal LeRoy Storm, Corporal Bill Gensel, Private Sal Alarcon, Private Nick Sutter and Private John McVicar.

NINE-RUN INNING AS FROSH-SOPH BREEZE TO VICTORY

Unloading nine runs in the first inning, Jefferson High school frosh-soph club pounded away for eight more in the remaining six frames to mop up St. Ignatius, 17-2, in a practice contest Wednesday.

It was the eighth straight win for the local club.

Paul Tapia held the Ignatians in check with four hits, striking out nine batters.

Leroy Franzoia, Ino Patron, Ed Leveroni and Barry Haanen each got two hits apiece to lead the slaughter.

Doubles were swatted by Franzoia, Leveroni, Patron and Mike Wedlake. The Indians utilized four hits and seven walks in the first inning.

SPORTS

That's My Point

By Monte Dayton

Detroit Benson, heavyweight, protege of Daly City pants presser Bill Herschel, had 124 amateur fights going into last Thursday's semi-finals of the Golden Gloves at Winterland.

He shouldn't have had the 125th. This tiger with the name of Detroit was de-fanged by a gent who should know how, Bob McIvor, a medical student at Stanford who made an earlier appearance on an OLPH fight card in Daly City.

Herschel had high hopes for this young fellow Benson. In fact he confided to this reporter that if Benson was successful in the Golden Gloves he would thrust him immediately in the professional prize ring. He was that good, thought Herschel.

Anyway, Benson went three rounds last week with McIvor and nobody came into the dressing room afterwards with any contracts.

There were no knockdowns but the action was halted in the third and given to McIvor on a TKO when it appeared Benson was playing in the wrong league.

Many local ringworms commented after McIvor's OLPH appearance here February 10 that the future sawbones was hardly any great talent.

Somebody's wrong. Either Benson isn't that good or McIvor isn't that bad.

STRETCHING FOR A LOCAL ANGLE

Also on last Thursday's GG program was Jerry Stern, former San Jose State lightweight ring ace and winner of the PCI tourney one year when this writer was in hot pursuit of academic credits. Stern was for two years at SJS roommate of THE RECORD adman Frank Monte.

All this is superfluous, but we always stretch for a local angle on a story.

Upshot of the whole thing is that Stern, a skinny-looking guy with bombs in either hand, TKO'd Oakland's Robert Cotton in the first round of the senior class welterweight fracas.

Five hours earlier his wife gave birth to a child.

Between amateur brawls, Jerry is a fireman at Millbrae, where he has plenty of time for his favorite pastime next to boxing—sewing and knitting. Now he can start in on the booties.

PLAYS A TUNE ON THE TAIL PIPES

Another rugged athlete who engages in activities that hardly seem to go hand in hand is Tom Colangelo, 37 Belmont drive, Daly City.

Tom is a sports car enthusiast and driver of no mean skill. Last week he annexed first place in his division in the Stockton Road Races, driving an Italian Siata Spider.

Colangelo is technical director for the San Francisco Opera Co.

BETTER GET OUT A "MISSING PERSONS"

We get a kick out of the way every burgh in the nation claims an athlete once he makes the grade.

A case in point is DALY CITY'S Don Mossi. Don, who lived in Daly City, first earned fame in football and baseball at Jefferson high school. All his friends and associates live here, but because Don moved to Redwood City, a minor technicality, the citizens of that community are claiming him.

To date we've seen half-a-dozen different cities attempt to tie their municipal noose around Mossi.

The city council ought to make Don Mossi an honorary citizen before we lose title to him altogether.

Jeff 9 Faces Cap 'Jinx' In PAL Opener

CREIGHTON STARTS FOR MARTIN'S CREW

Curtain-raiser on the 1955 Peninsula Athletic league baseball season will be held this afternoon (Friday) at Capuchino and Coach Lou Martin's Jefferson High school nine will be out to break a two-year old jinx.

On the basis of their practice game record (10-3) the powerful Indians from Daly City should crack the ice today and give Jefferson its first baseball win over Capuchino in two long seasons.

Martin will start fabulous Lowell Creighton against the Millbrae club. Creighton has a 5-1 record and is being tabbed as one of Northern California's best young pitching prospects.

But it isnt pitching alone that will be giving the Mustangs trouble. This year's Jefferson nine

LOWELL CREIGHTON

boasts one of the most powerful hitting line-ups in the school's history. With a team batting average of exactly .300, the Indians have three swatters pelting the apple at a .400 plus clip and five players who are topping .300.

First sacker Bob Bailey leads the hitting contingent with a healthy .452 on 19 hits in 42 trips. Next in line is Catcher John Murphy, Carrying a .409 on 13 safeties in 38 attempts.

Third big slugger is Bob Gaggero, outfielder, who has a .409 off 18 hits in 44 outings.

Only man on the first nine who is not hitting over .300 is fielder Bob Grubb, who has seven for 34 and a .206 average. Grubb, however, has got two doubles, a triple and two home runs, which gives him about .800 in the extra-base hit department.

Roster and batting order for today's game is as follows: Rich Guisti, cf; Grubb, rf; Murphy, c; Bailey, 1b; Al Figone, 3b; Creighton, p; Ken Smith, ss; Gaggero, lf; Larry Kennedy, 2b.

Mossi Banged For Two Runs; Then Masters Situation

A sizeable number of Daly City fans were on hand at Seals Stadium Friday as favorite son Don Mossi performed on the mound for the American League champion Cleveland Indians and contributed a good part to the Tribe's 8-2 exhibition victory over the Seals.

Mossi entered the contest in the sixth inning, on the heels of Rapid Robert Feller, who was up to his usual excellence. Feller had only given up one hit.

Southpaw Mossi had a hectic initial inning, when the Seals got their only runs. The tallies came off a booming smash to the right-fielder bleachers by Teddy Beard with one man on.

After that Mossi tightened up and struck out the next three batters to retire the side. He went on to get a total of five strikeouts in his three innings labor and hold the Seals scoreless.

Mossi's stint on the mound was described as one of his most impressive exhibition appearances.

OLPH Juniors Get Eight Straight Wins

OLPH Juniors made it seven and then eight wins in a row over the weekend as they parlayed powerful hitting and steady pitching to victories over All Souls and St. Gabriel's.

In Saturday's tilt with All Souls, SSF, Dick Reese ably handled the pitching chores to notch a 7-2 triumph. Barry Krohn got two hits to pace the club, while Bill Whalen, Jeff Pearlman and Rich Morales got one apiece. Diminutive Mike Rovai made the game's top defensive maneuver as he speared a fly ball in the seventh inning to stop an SSF rally.

Against St. Gabriel Sunday Whalen and Dave Gehre combined efforts on the mound to register a 15-2 rout. Gehre and Pearlman had five hits apiece, followed by Krohn, four, and Whalen, three, to lead OLPH batting.

The local parochial school teams see action this Saturday at Marchbanks. Midgets will hold an intra-squad game starting at 10 a.m. following up at 11:30 by a Juniors' intra-squad contest at 11:30 a.m.

FROSH-SOPH GET SEVENTH WIN

Bidding fair to out-do their successful varsity brothers this season, Jefferson High school's frosh-soph baseball team waltzed to their seventh straight win against no defeats last Thursday against Sequoia.

The victory gave Coach Byron Van Alstyne's crew a 2-0 mark in PAL play.

Ed Leveroni, workhorse of the yearling club, gained the win, his sixth, giving up only two hits. He had a perfect game going into the sixth, when he was nicked for a single. Leveroni had eight strikeouts and no walks.

Barry Haanen, centerfielder, provided the game's big blow when he blasted a triple in the second that drove in three runs.

Ino Patron, frosh sensation, got two for three, while Bill Strasburger and Leveroni each got one hit. Paul Tapia was credited with two stolen bases.

The local frosh-soph nine was scheduled to meet San Mateo yesterday in their third league outing.

CENTER CAGERS SMASH BRISBANE IN TEEN LEAGUE

The once-beaten Community Center quintet spurted to a 16-point first half lead then breezed through the final two periods to post a 37-25 triumph over the winless Brisbane Bisons last week in Teen-age Farm league play at the center.

The Victors, maintaining backboard control throughout the evening, scored heavily on drive-ins by Ron Porshall and Vern Walligora as the visitors sought vainly to stay in the ball game. Porshall's 10 point first half splurge led the Community Center assault while teammates Walligora and Murphy garnered six apiece. Walligora eventually wound up with high point honors when he added a trio of field goals to his first half total.

Waldy King, flashy Brisbane forward, attempted to turn the tide for the out-of-towners with a nine point spree but the effort was too great even for this scrappy youngster.

Clean The Bench

The local team was actually out-scored in the final half but this was partially due to the fact that the Community Center coach Joe Murphy was able to clear the bench for the entire last period. The Community Center victory gives them a three and one record which keeps the club within reach of the league leading Sharp Park Breakers.

In the first game of last week's double header the amazing Daly City Dribblers, conceded no better than sixth by pre-season dopsters, upset the previously undefeated Marchbanks Argonauts, 32-28. The Marchbank five, led by Al Long, hit 40 per cent of their shots to go out in front, 12-6, at the end of the first period. Little Donnie Miller stepped up the Dribbler attack in the next quarter with a pair of field goals from the side and two free throws. Despite Miller's effort the Marchbank team rung up eight points to take a 20-15 intermission lead.

The Dribblers picked up a point in the third when Myron Kay hit two from the key and Miller banged one in from twenty feet, followed by a charity. Long accounted for all the Argonaut scoring in the quarter on a series of drive-ins. Bob Riley, the leagues most deadly shooter, hit a set to open the remaining seven minutes of play but Long retaliated immediately with a couple of free throws to keep the Marchbanks club four points in front.

Elect To Stall

When Miller hit his 15th point of the night, the Argonauts elected to stall. Long lost the ball on steps and Bob Riley immediately tossed in a jump shot for the Dribblers to knot the score at 28 all. With thirty seconds to play Long attempted to stave off defeat by fouling Miller. The plucky youngster calmly stepped to the free throw line and meshed both shots to put the Dribblers out in front by two. Riley added an insurance bucket as the final buzzer sounded.

The evening's second game proved disappointing as the undermanned Bayshore outfit received a punishing 42-14 mauling at the hands of the tough Lincoln Lakers. The issue was never in doubt as the Lakers were superior in height speed and experience. Bill Milan and Carl Mecchi paced the winners with 12 and 13 points respectively while Jim Dantzman, playing a superb game for the losers racked up 11.

This week's games will be postponed till the end of the season due to the Lion's club Youth Art Exhibit now on display.

Central Paces Keg Play; DeLuca, Watson Run Wild

R. Alholmn's 528 series paced Central Club to 2½ victories over Wm. Lagomarsino and Co. Tuesday night at Brentwood and left the 'Clubbers in the front of the pack in Daly City-Colma Bowling league.

Second game of the trio was tied at 807, giving each team a half-point.

Highlights of the evening were turned in by Babe DeLuca of Vince & Fred and Bill Watson of the Eagles. DeLuca pasted the maples for a 254 individual game and wound up with a 597 series, both high for the night. Watson was close behind in the series department, notching a 594 on games of 227, 194 and 173. These two series were among the highest recorded all season.

Others pelting the pins for high scores were: D. Viri, 210 game, 534 series; Stan Fogler, 204 game, 267 series; Dell Fehl, 207 game, 536 series; P. Rangeri, 207 game, 527 series; A. Purpora, 566 series on games of 192, 197 and 177; and T. Gantert, 200 game, 562 series.

Cop Pistol Tourney Scheduled

Daly City police will hold their first annual intra-departmental pistol tournament next Wednesday at Ray Ottoboni's range in Colma, starting at 10 a.m.

Members of the winning team will have their names engraved on the large "Westlake Perpetual Trophy" donated by Henry Doelger. Along with this award will be other trophies for the high scoring officers, donated by merchants of Daly City.

Each of the three shifts will be represented by a team, and shooters from the motorcycle officers and inspectors will make up the fourth squad.

Police Chief Roland Petrocchi, who has been instrumental in obtaining a firearms training program for the department, will shoot with one of the teams Wednesday and will rotate his service in future meets.

Tournament is part of the department's firearms training program, which consists of a day at the range each month for every officer, under supervision of Officer Jim Welsh, rangemaster. Cost of the program has been held to a minimum because the department loads its own shells and officers practice at the range on their off-duty hours.

Pool Open Next Week

Jefferson High school pool will be open four afternoons next week during the Easter vacation, announces Coach Mike Orlich.

The plunge will be open to the public every afternoon but Friday, from 2 to 4:30 p.m.

Kezar Stadium in San Francisco's Golden Gate Park is the home of the East-West Shrine Game and the San Francisco 49ers, professional football team.

"Fifty Golden Ideas" in home design are being created to commemorate the 50th anniversary of the Douglas fir plywood industry of the Pacific Coast.

Top Mile Race Looms Tonight At Sequoia Meet

What could prove to be the Bay Area's top prep mile race of the year will be run tonight (Friday) at Redwood City when Jefferson's Jim Rector goes against a classy field at the Sequoia Invitational.

Rector sped to a 4:34 four-lapper Friday against Carlmont to post the best time in the North Coast Section and a new school record, then came back Tuesday in a meet with San Mateo to lower his clocking to 4:33.8.

Rector's long-time rival Ron Larrieu of Palo Alto will be entered tonight, but the Jefferson distance man will have another rough contender in Bob Hale of Downey, who ran second in the state meet last year and posted a 4:25.

Others Invited

Other Indian representatives invited to the Sequoia track and field extravaganza include George Segar, discus, Lowell Klaisner, 100 and 220-yard dashes, Sonny Martinez, Class C 330-yard dash, and the Class C 440-yard relay team of Martinez, Jerry Rosenberg, Buddy Pollard and Dan Miceli.

Martinez set a new school mark of .39 flat in the 330 Friday.

Tuesday the Indian varsity suffered a 70-42 reversal at the hands of a strong San Mateo team.

Klaisner took both dashes for the Jeffs, turning in a 10.6 hundred and a 22.8 220.

Rich Gonzales, running against competition for the second time, tied for first in the 880 at 2:09.8, Friday against Carlmont in Gonzales' first race he registered a 2:04 in running second.

The Jeff relay team won, finishing in 1:35.

The Indian 30s were edged, 59-53 by the Bearcats. Jeff winners were: Bob Pool, 1320, 3:31.8; Jim D'Amour, high jump, 5' 6"; Boyd Hillyer, shot put, 47' 3"; and George Rocchi, broad jump, 18' 6".

20s Edge Mateans

The Daly City 20s, paced by a record-breaking relay team, outpointed the Mateans, 38-30.

The local C relay team raced to a 47.6 school record, lowering the new standard of 47.8 they had set a few days earlier.

Martinez, in addition to running on the relay, captured the 150-yard dash in 16.2, and the broad-jump at 17' 11½."

Neil Dunford claimed the only other Jeff first place, putting the shot 41' 1½" for a victory.

Bruce Lavagzzano gained a tie in the high jump at 5'.

Against Carlmont Friday the Indians squeaked by, 57-56, amassing a high point total on six firsts.

Klaisner was the only double winner, claiming both dashes in times of 10.5 for the hundred, 22.5 for the 220.

Another School Mark

Klaisner's 220 race, run against the wind, ties the school record set by Oscar McGrath in 1939 and is close to the top time in the PAL this year.

Rector's record-topping performances in the past two consecutive meets eclipsed the school mark set by Joe Zanobini in 1950.

Don Wiesner got into the win column for Jefferson as he toured the 120-yard high hurdles in 16.8.

The Indians annexed both weight events, as Segar heaved the shot 43' 5" and Cloonan reeled the discus out 116' 4".

Both Jeff lightweight teams were victorious, the 30s winning, 62-51, and the 20s routing the Scots, 62-2.

Winners for the 30s were: George Bulwinkel, 660, 1:32; Rogue Dominga, 75, 8.3; Armando Gutierrez, 120-yd. low hurdles, 15.2; D'Amour, high jump, 5' 4"; Hillyer, shot, 47' 5", and discus, 102' 8½"; Rocchi, broadjump, 17' 10".

In the 20s division the Jeffs swept every first place. Winners were: Martinez, 75, 8.5, and 330, .39; B. Marston, 120-yard lows, 16.2; Miceli, 150, 16.5, and broadjump, 16' 11½"; Gerry Rosenberg, high jump, 4' 4"; Dunford, shot, 38' 4"; and relay, 47.8.
